### **05.05.18 Hazyview – Kruger National Park – Hazyview**

### **06.05.18 Hazyview - Swaziland**

**(B/D)** This morning we leave for Swaziland. En route we stop at Jane Goodall's Chimpanzee Institute, which is set in a forested reserve between Nelspruit and Barberton. The institute has brought hope, peace and some degree of normality to dozens of traumatised chimpanzees from all over Africa. The institute has more than 30 primates, all rescued by the Institute, mostly from the logging and the related bushmeat trade. It's unlikely that any of these chimpanzees can ever be released back into the wild, simply because conditions are perilous for them all over the continent. Our included entry fee helps support this great cause.  
Afterwards we continue to Swaziland before checking into our accommodation for an overnight stay. This evening we enjoy an included dinner.  
Accommodation: Lugogo Sun Hotel or similar

### **07.05.18 Swaziland - Zululand**

**(B/D)** We visit Swazi Candles in the morning and then we journey through Zululand into the Kingdom of KwaZulu-Natal to the Hluhluwe area. Watch as locals make spears, shields, baskets and clay pots. Peak into the world of the sangoma. Experience the rhythmic drum beat and dance of Africa. You may wish to try some Zulu beer or watch the throwing of the bones. Afterwards we have about a six hour drive to Drakensberg and check into the hotel for a two night stay. View the 'Big Tree', which stretches its distinctive yellowwood leaves skywards, towering over the other trees in the canopy. This tree is estimated to be between 600 and 800 years old and is well worth a special visit. Afterwards we continue onto Knysna. Dinner and overnight at our hotel.

### Tour Difficulty Ratings & Advice

To ensure that you select the right tour for you, Macleay Valley Travel has provided a clear set of tour difficulty and fitness recommendations for our tours. The ratings, from 1, being the easiest, to 5 the most strenuous, will give you a good idea of what is reasonably required for you to be able to participate on each tour. Most tours require a moderate to good level of fitness, however there are others that are quite challenging. For your enjoyment of the tour, and also the enjoyment of your fellow travellers, please consider whether or not the suggested difficulty level for the tour you are interested in is compatible with your health and fitness.

1	2	3	4	5
---	---	---	---	---

#### Tour Difficulty Level 4

This tour rating typically involves an above average level of physical activity, such as ascending stairs, getting into a bathtub shower, being responsible for your own luggage at airports and hotels, walking distances of up to 2 kilometres at a time over possible uneven ground and/or cobblestone streets. Walking tours of considerable distances should be expected on tours with this rating, as well as early departures. Unfortunately this tour rating is not recommended for individuals who cannot walk unaided.
