Most tours require a moderate to good level of fitness, however there are others that are quite challenging. Itinerary for Angkor Wat Extension

Included meals are indicated as B = Breakfast, L = Lunch, D = Dinner

22.06.20 Hanoi - Siem Reap

(B/D)

Today we transfer to Hanoi Airport, departing at 3.30pm on Vietnam Airlines flight VN837, arriving in Siem Reap at 5.10pm. We are met and transferred to the hotel for check in. Dinner is at the hotel.

Accommodation: Tara Angkor Hotel

23.06.20 Siem Reap

(B/L/D)

Breakfast at the hotel. Begin our exploration of the Angkorian temples this morning by visiting the ancient city of Angkor Thom. Surrounded by walls with a height of 8 metres and length of 12 kms, this city was the last capital of the Khmer Empire. Five huge gates with huge stone faces provide access. Angkor Thom holds many important monuments, which we will visit, including the Bayon Temple, located in the exact centre, the Baphoun, Terrace of the Elephants and Terrace of the Leper King. We continue to Ta Prohm, a unique temple that has been left to nature with trees and vines growing amongst the structures. This is one of the most photogenic temples in the Angkor area and gained fame as the 'Tomb Raider' temple, after featuring in the Angelina Jolie movie. Enjoy walking along the sandy paths and under huge banyan trees as we explore this 12th century temple. Afterwards we return to the town of Siem Reap and enjoy an included lunch at Mahob. Combining the talents of the chef/owner with the freshest local ingredients, the restaurant offers a peaceful location to experiment with tantalising Khmer and fusion offerings. Mahob is set in a carefully restored Khmer wooden house.

In modern Cambodia today, there are many projects helping to revive lost art, music and culture. One such example is Artisan d'Angkor. We visit the workshop and see stone carvings, wooden sculptures, lacquer work and paintings, all being produced and many of which can be purchased. We then return to the hotel and have the remainder of the afternoon at leisure.

This evening we enjoy dinner whilst watching a show of Apsara dancing, first performed in the court of kings at Angkor. A set menu of Khmer cuisine will be served as we enjoy the show.

Accommodation: Tara Angkor Hotel

24.06.20 Siem Reap - Angkor Wat

(B/L)

This morning take a remark (similar to the Thai tuk tuk) to continue our exploration of the Temples of Angkor, by visiting Angkor Wat, the largest religious building in the world. Angkor Wat is a temple complex built for King Suryavarman II in the early 12th century as his state temple and capital city. Angkor Wat is the most significant and best preserved temple in the area. It is the only one to have remained a significant religious centre since its foundation, first Hindu and then Buddhist. A magnificent moat surrounds the temple on all sides, with a long causeway providing access.

Following this we return to Siem Reap and enjoy an included lunch at Haven, a training restaurant for vulnerable young adults from orphanages and safe shelters as well under privileged young adults from poor, rural areas. Lunch will consist of a set

western menu. Afterwards we take a break at the hotel.

This evening we enjoy some modern Khmer theatre at a performance of Phare, the Cambodian Circus, by professional artists from Phare Ponleu Selpak. Originally a project set up in refugee camps as a way to encourage young people to express themselves using art, the Phare Circus is slowly becoming a worldwide name and a good example of responsible tourism that has been a success story. Enjoy an hour long show, which is a great example of modern Cambodia and mixes theatre, dance, music, juggling and contortion. Afterwards return to the hotel.

Accommodation: Tara Angkor Hotel

25.06.20 Siem Reap – Singapore - Australia

(B/L)

In the morning we travel into the Cambodian countryside to the temple of Banteay Srei, dedicated to the Hindu God, Shiva. This is a picturesque temple and is a stunning achievement of Angkorian artisanship. Small in size, the carvings are exquisite in this temple, one of the best preserved in Cambodia. Banteay Srei is different to the other temples, as it is constructed of pink sandstone. Next we visit the Landmine Museum, located near Banteay Srei. The museum was founded by Mr Aki Ra, who was once a child soldier for the Khmer Rouge, before changing allegiance, to work as a de-miner, first for the Cambodian Army and later for the United Nations. Aki Ra won an award from CNN as one of the Top Ten Heroes in 2010. Along with his Cambodian Self Help De-mining Group, they have helped clear approximately 50,000 mines and weapons, many of which can be seen at the museum today. Our entry fee helps support Cambodian Self Help De-mining village school projects and the relief facility that cares for children who suffer from a variety of physical, emotional and family difficulties. Following this we return to Siem Reap and freshen up at the hotel before enjoying an included lunch at a good restaurant. After lunch we are transferred to the airport for our flights home.

Depart Siem Reap at 4.10pm on Silk Air flight MI 615, arriving in Singapore at 7.15pm.

Sydney passengers depart Singapore at 8.20pm on SQ 221, arriving in Sydney at 5.55am the next morning (26.06.20).

Brisbane passengers depart Singapore at 9.30pm on SQ 235, arriving in Brisbane at 7.05am the next morning (26.06.20).

The tour group will not wait for any time spent obtaining visas at the airport and you may need to arrange a separate transfer at your own expense.
