Breakfast at the hotel. Begin our exploration of the Angkorian temples this morning by visiting the ancient city of Angkor Thom. Surrounded by walls with a height of 8 metres and length of 12 kms, this city was the last capital of the Khmer Empire. Five huge gates with huge stone faces provide access. Angkor Thom holds many important monuments, which we will visit, including the Bayon Temple, located in the exact centre, the Baphoun, Terrace of the Elephants and Terrace of the Leper King. We continue to Ta Prohm, a unique temple that has been left to nature with trees and vines growing amongst the structures. This is one of the most photogenic temples in the Angkor area and gained fame as the 'Tomb Raider' temple, after featuring in the Angelina Jolie movie. Enjoy walking along the sandy paths and under huge banyan trees as you explore this 12th century temple. Afterwards we return to the town of Siem Reap and enjoy an Asian fusion set lunch at Mahob. Combining the talents of the chef/owner with the freshest local ingredients, the restaurant offers a peaceful location to experiment with tantalising Khmer and fusion offerings. Mahob is set in a carefully restored Khmer wooden house. We then return to the hotel, with the remainder of the afternoon at leisure. This evening enjoy dinner whilst watching a show of Apsara dancing, first performed in the court of kings at Angkor. A set menu of Khmer cuisine will be served as we enjoy the show.

Accommodation: Angkor Heritage Boutique Hotel

05.12.17 Siem Reap - Angkor Wat

(B/L/D)

This morning take a remark (similar to the Thai tuk tuk) to continue our exploration of the Temples of Angkor, by visiting Angkor Wat, the largest religious building in the world. Angkor Wat is a temple complex built for King Suryavarman II in the early 12th century as his state temple and capital city. Angkor Wat is the most significant and best preserved temple in the area. It is the only one to have remained a significant religious centre since its foundation, first Hindu and then Buddhist. A magnificent moat surrounds the temple on all sides, with a long causeway providing access. An alternative eastern entrance is the best way to start a morning tour and avoid the crowds. Take your time to look at some of the 3000 plus Apsara (heavenly maiden) carvings, all of which are different. We return to Siem Reap to dine at a local restaurant that supports a good cause. 'Haven' is a training restaurant for vulnerable young adults from orphanages and safe shelters as well as under-privileged young adults from poor and rural areas. By teaching them quality work as well as important life skills, these young people are supported in their transition to adult life, as well as giving them a chance to step out of the poverty cycle. Lunch will consist of a set western menu.

Take a break this afternoon at the hotel. In the evening we have an included dinner at Phare Café before enjoying some modern Khmer theatre at a performance of Phare, the Cambodian Circus, by professional artists from Phare Ponleu Selpak. Originally a project set up in refugee camps as a way to encourage young people to express themselves using art, the Phare Circus is slowly becoming a world wide name and a good example of responsible tourism that has been a success story. Enjoy an hour long show, which is a great example of modern Cambodia and mixes theatre, dance, music, juggling and contortion. Afterwards return to the hotel.

Accommodation: Angkor Heritage Boutique Hotel

06.12.17 Siem Reap

(B)

This morning we travel to Tonle Sap Lake, the largest freshwater lake in South East Asia. The lake and its waters are the lifeblood of the country and millions of people depend on it. Officially a UNESCO Biosphere Reserve, observing life on the lake makes for an interesting half day visit. We board a traditional wooden boat to visit Kompong Khleang, one of the lesser visited villages on the lake.

In modern Cambodia today, there are many projects helping to revive lost art, music and culture that was lost during the period that the Khmer Rouge were in power. One such example is Artisan d'Angkor. We visit the workshop and see stone carvings, wooden sculptures, lacquer work and paintings, all being produced and many of which can be purchased. We return to the hotel just after midday, with the remainder of the day at leisure.

Accommodation: Angkor Heritage Boutique Hotel

07.12.17 Siem Reap - Singapore – Australia

(B/L)

After an early breakfast this morning we travel into the Cambodian countryside and out to the temple of Banteay Srei, dedicated to the Hindu God, Shiva. This is one of the most picturesque temples and a morning visit provides a great opportunity to appreciate one of the most stunning achievements of Angkorian artisanship. Small in size, the carvings are exquisite in this temple, one of the best preserved in Cambodia. We then return to our hotel to freshen up and check out. Following this we have an included lunch at one of the very best restaurants serving traditional Khmer food. Situated on the Riverside, the restaurant has a relaxing tropical garden and smaller indoor dining area. The menu will take us on an exploration of many recipes almost from the Kingdom.

After lunch we transfer to Siem Reap Airport for our flights home.

Depart Siem Reap at 3.10pm on Silk Air flight MI 615, arriving in Singapore at 6.45pm.

Sydney passengers depart Singapore at 8.40pm on SQ 221, arriving in Sydney at 7.40am the next morning (08.12.17).

Brisbane passengers depart Singapore at 9.15pm on SQ 235, arriving in Brisbane at 7.15am the next morning (08.12.17).

Melbourne passengers depart Singapore at 9.20pm on SQ 227, arriving in Melbourne at 7.45am the next morning (08.12.17).
