JAPAN AUTUMN LEAVES

13 Day Conducted Tour
for **\$6,975** per person twin share

This price includes airport taxes & levies

This is amazing value for a destination such as Japan, as the price covers all of the following:

- Air fares with Qantas from Sydney, Melbourne and Brisbane into Tokyo and out of Osaka.
- A 12 day tour of Japan during the spectacular autumn leaves period.
- Accommodation in mainly three to four star hotels with private facilities.
- Nearly all meals in Japan, as stated in the itinerary.
- All transfers and transport, and entrance fees to many attractions.
- A Maiko Dance performance and Sushi making class.
- Prepaid gratuities to the main tour guide and driver.
- Services of local tour guides and if there are 15 or more participants there will be an Australian tour escort.

The colourful autumn leaves draw just as many visitors to Japan in autumn as the cherry blossoms do in spring, and the viewing of autumn leaves has been a popular activity in Japan for centuries. Today people still set out all over the country to find the best spot to view the beauty of the stunning yellow, orange and red leaves. Don't miss your chance to tour Japan during this great season.

If you don't have anyone to share with but wish to travel at twin share rates, we will try and assign you with another person, but this is not guaranteed. For a single room there is an extra cost of \$1140.

Tour departs Australia 11th November and returns 23rd November 2020

We try harder to find you the best travel deal
