JAPAN CHERRY BLOSSOMS TOUR

15 Day Conducted Tour
for **\$6,895** per person twin share

This price includes airport taxes & levies

This is amazing value for an expensive destination such as Japan, as the price covers all of the following:

- Air fares with Qantas from Sydney, Melbourne and Brisbane into Osaka and out of Tokyo.
- A 14 day tour of Japan by coach and train.
- Accommodation in mainly three to four star hotels with private facilities.
- Many meals, as stated in the itinerary.
- All transfers and transport and entrance fees to many attractions.
- A Maiko Dance Performance and a Japanese Tea Ceremony.
- Prepaid gratuities to the main tour guide and drivers.
- Services of a local tour guide and if there are 15 or more participants, an Australian tour escort.

The tour will visit Japan in Spring, when the cherry blossoms should be in full bloom, but this cannot be guaranteed. This is an opportunity to see this beautiful country when it is at its best.

If you don't have anyone to share with but wish to travel at twin share rates, we will try to assign you with another traveller, but this is not guaranteed. For a single room there is an extra cost of \$1,199.

Tour Difficulty Ratings & Advice

To ensure that you select the right tour for you, Macleay Valley Travel has provided a clear set of tour difficulty and fitness recommendations for our tours. The ratings, from 1, being the easiest, to 5 the most strenuous, will give you a good idea of what is reasonably required for you to be able to participate on each tour. Most tours require a moderate to good level of fitness. For your enjoyment of the tour, and also the enjoyment of your fellow travellers, please consider whether or not the suggested difficulty level for the tour you are interested in is compatible with your health and fitness.

1	2	3	4	5
---	---	---	---	---

Tour Difficulty Level 3

This tour rating typically involves a good level of physical activity, such as ascending stairs, getting into a bathtub shower, being responsible for your own luggage at airports and hotels, boarding trains quickly, walking distances of up to 500 metres at a time over possible uneven ground and/or cobblestone streets. Walking tours of considerable distances should be expected on tours with this rating as well as early departures.

Conditions for Macleay Valley Travel's Japan Cherry Blossoms Tour

Deposits and Payments: A non-refundable deposit of \$400 per person is payable within 7 days of booking. This deposit is not refundable should you later cancel. The balance is payable 8 weeks prior to departure. Macleay Valley Travel often has to adhere to strict payment deadlines and your booking on the tour may be cancelled if final payment is not received by the due date, with no refund applicable.

Refunds and Cancellations: Cancellations after final payment will result in a refund limited to whatever we can recoup from the airline.

Airline Tickets - Please note that any changes made to airline tickets once they have been issued will likely incur high cancellation and/or reissue fees. These fees are typically set by the airline and are outside of our control.

Insurance: Adequate travel insurance is essential. We can arrange this for you if desired. Macleay Valley Travel offers Suresave Travel Insurance. Please note that we can only process your travel insurance when we have received full payment for the insurance and the signed Suresave Travel Insurance application form, located on the last page of the Suresave Travel Insurance information booklet. Until this time the travel insurance cannot be processed and will not be valid. Macleay Valley Travel will bare no responsibility for any consequences that may occur as a result of an incomplete insurance application.

Passports: All travellers require a current passport with at least 6 months left on it at the end of the tour. Non-Australian passport holders require a re-entry visa for Australia. No visas are required for Australian passport holders.

Basic Tour Price and Taxes: Air taxes and fuel levies are included in the basic tour price if the tour is paid in full on or before the due date on the final invoice. Macleay Valley Travel reserves the right to charge for any increase in air taxes and fuel levies if the tour is not paid in full by the due date.

Not Included in the Cost: All items of a personal nature such as telephone calls, drinks, excess baggage, tips, meals, (except those specified in the itinerary), etc. Also travel insurance. Similarly, credit card payments (Visa/MasterCard) can only be accepted if 1% is added to the price to help defray the heavy merchant fees charged to us by the credit card companies. There is a 2.75% surcharge for American Express.

Cherry Blossoms: The tour dates have been selected to time with the proposed blooming period of the cherry blossoms, however the specific blooming dates are subject to weather conditions and seasonal variations. As such we cannot guarantee that you will see cherry blossoms in bloom, although it is very likely.

Accreditation - Macleay Valley Travel is a fully accredited travel agency under the AFTA (Australian Federation of Travel Agents) ATAS - AFTA Travel Accreditation Scheme. As such, you are assured of a consumer focused and quality assured business, ensuring professional conduct and ethical business practices. We are happy for any prospective traveller with us to check us out with your local Consumer Affairs (Fair Trading) department.

Twin Share Bookings – If you do not have a travel partner, but wish to travel at twin share rates, we will try and assign you with another traveller but this is not guaranteed. We assign passengers by their gender, on a first come, first served basis and do not assign twin share passengers according to their age, profession, interests etc. There are risks with sharing a room with a person you do not know, and Macleay Valley Travel accepts no responsibility if you are incompatible with your assigned room mate. Additionally, if you are assigned a travelling companion to share with and they cancel off the tour prior to making the final payment, then you will either be required to pay the single room supplement or we will try our best to assign you with another twin share passenger, if one is available.

Single Accommodation - For passengers in single accommodation, Japan often has smaller rooms dedicated for single passengers. This can potentially be considerably smaller than what you might be accustomed to, however this is the norm for Japan, and the price you have paid for the single room supplement reflects these dedicated single rooms. The single room supplement will provide you with privacy, but not necessarily the same sized rooms as other twin share passengers

Breakaway Fee - All fully inclusive prices are based on group travel and any deviation from the set itinerary will incur a breakaway fee. The breakaway fee for deviations on this tour is \$105 per person, plus any applicable increase in airfare & taxes. Please inquire with our office for specific prices on any extensions.
