### **25.10.19 Singapore – City Tour & Botanical Gardens**

**(B/L)**

This morning we have a sightseeing tour of Singapore. First we explore the city by driving around the Civic District, passing by the Padang, Cricket Club, historic Parliament House and the National Gallery of Singapore, which consists of two national monuments, being the former Supreme Court and the City Hall. Next we stop at the Merlion Park and enjoy the impressive views of Marina Bay. There is an opportunity to have some photos taken with the Merlion, a mythological creature that is part lion and part fish. We visit Thian Hock Keng Temple, which is one of Singapore's oldest Buddhist-Taoist temples, before driving past Chinatown. Next we proceed to Clarke Quay and have a short bumboat cruise on Singapore River to see beautifully restored shops, modern skyscrapers of the Financial District and colonial buildings. Then we experience the scent of joss sticks, jasmine and spices as we walk pass Little India, before enjoying an included lunch at a local restaurant. In the afternoon we visit Singapore Botanic Gardens and the National Orchid Garden. The Botanic Gardens are the country's first UNESCO World Heritage Site, established in 1859 by the Agri-Horticultural Society. Sixty acres of land were transformed from a disused plantation into the popular recreational garden we see today. The sprawling grounds are also a leading centre for botanical and horticultural research. Highlights include the National Orchid Garden which boasts a sprawling display of over 60,000 plants. Following our visit we are returned to the hotel.

Accommodation: Oasia Hotel Downtown

### **26.10.19 Singapore – Chinese & Japanese Garden - Jurong Bird Park**

**(B)**

Today we visit the Chinese & Japanese Gardens, which are islands positioned in Jurong Lake, and connected to each other by the Bridge of Double Beauty. Both gardens are popular with photographers. Originally launched on the 18<sup>th</sup> April 1975, the Chinese Garden is modelled on the northern imperial Chinese style of architecture and landscape. We can climb to the top of the seven-storey pagoda for a beautiful view of the Jurong Lake District, or admire the large bonsai collection housed within a traditional Suzhou-style courtyard. The Japanese Garden is a large strolling garden showcasing a landscape style originating from the Muromachi and Momoyama periods of Japanese history. Explore a network of paths winding past the Guesthouse along Garyuchi pond, or spend some time observing the many bird species that have made the garden their home.

Afterwards we visit the Jurong Bird Park, which is home to 5,000 birds consisting of 400 different species. The park spans 20.2 hectares of lush greenery. We will have a chance to feed the lorries at the Lory Loft, the world's largest Lory Flight Aviary. Take a ride on the tram to visit the African Waterfall Aviary and enjoy the spectacular Penguin Expedition and High Flyer Show at the pool's amphitheatre. The bird park's exhibits and aviaries are specially designed to closely resemble the natural habitats of the birds. At the conclusion of our visit we are returned to the hotel. For those wishing to have a longer stay, you can remain at the bird park and make your own way back to the hotel.

Accommodation: Oasia Hotel Downtown

### **27.10.19 Singapore – Singapore Zoo**

**(B)**

We leave the city behind as we head north to Mandai and visit Singapore Zoo. Spread over 28 hectares, the zoo is a haven to over 3,600 mammals, birds and reptiles including some rare and endangered species. Natural barriers like streams, rock walls and beautiful landscaping are used to separate the animals from the visitors, thus creating an open zoo effect. We experience a close brush with nature from the comfort of a tram, and also on foot. At the conclusion of our visit we are returned to the hotel. For those wishing to have a longer stay, you can remain at the zoo and make your own way back to the hotel.

Accommodation: Oasia Hotel Downtown

### **28.10.19 Singapore – Hort Park & Gardens by the Bay**

For those interested there are also nature walks along the Southern Ridges of the park. Following this we have an included lunch before returning to the hotel for a short break.

At approximately 3pm this afternoon we enjoy a guided visit of the Gardens by the Bay. Discover a world of wonders at this award winning attraction. It features more than 500,000 plants from over 2,200 species. Replicating the cool and dry Mediterranean climate, the Flower Dome features nine different gardens from six continents including the Baobabs & Bottle Trees, Succulent Garden, Australian Garden, South African Garden, South American Garden, Californian Garden, Mediterranean Garden, Olive Grove and the Changing Flower Field Display.

Our tour includes admission to two conservatories, but excludes admission to the OCBC Skywalk and Garden Cruiser.

Following the tour our guide will depart, and we will stay on in the park to purchase some dinner (own expense) and enjoy the magnificent sight of the Gardens by the Bay Supertrees, and let the music and lights entertain us during the Garden Rhapsody light and sound show, commencing at 7.45pm. After the show we are transferred back to the hotel.

Accommodation: Oasia Hotel Downtown

**29.10.19 Singapore – Sentosa Island Tour**

**(B)** This morning we enjoy a tour of Sentosa Island. We have an included cable car ride from Mount Faber to Sentosa Island. The eight seater cabins will give us a bird’s eye view of the Singapore skyline. We enter a world of colours at the Butterfly Park & Insect Kingdom, and then make a grand entrance into the larger than life Merlion. Legend has it that the Merlion would visit Sentosa Island every year to guard Singapore’s wellbeing. Our last stop today is to the world’s largest aquarium. At the S.E.A. Aquarium explore more than 800 species of marine animals, such as majestic manta rays and over 200 sharks through the world’s largest window to the ocean. We are then returned to our hotel, with the remainder of the day at leisure to relax or explore the city. Be fascinated by the myriads of colours and forms of plants and animals in 15 different thematic zones from plants and amphibians to mammals and dinosaurs. The museum is home to three diplodocid sauropod skeletons, each of them is approximately 80% complete. Surrounding the museum are also four themed gardens. Following this we have a farewell lunch at a local restaurant. After lunch we have some free time at the Marina Bay Sands shopping mall, before transferring to the airport for our flights home.
