**06.09.20 Trincomalee - Sigiriya – Habarana**

**(B/L/D)**

This morning we proceed to Habarana for a two night stay.

In the afternoon there is an opportunity to climb Sigiriya Rock Fortress. Sigiriya Rock Fortress is one of Sri Lanka's major attractions. It was built by King Kashyapa from 477 - 495 AD for the purpose of protecting him from his rivals. It is a UNESCO World Heritage Site and is also known as the 'Fortress in the Sky'. There is so much to discover during our stair climb up to the fortress, including water gardens, artistic frescoes, a mirror wall and the lion gate. When you reach the top you are rewarded with scenic views over the area. Please note that the climb to Sigiriya Rock consists of 600 steps with flat areas of interest in between. The climb is quite strenuous and as such it is not suitable for everyone. For those not wishing to climb the rock there will be an alternative Hiriwaduna Trek. Ride a bullock cart, which is Sri Lanka's oldest form of transportation, on an unpaved trail. Then set off on a nature walk of the area. Later cross a wider tributary on a kind farmer's catamaran (you may have to wade through knee deep water). Enjoy the sight of the village folk as they go about their daily tasks, such as cooking, fishing or washing clothes at the lake. Lunch today is at a local restaurant and dinner is at the hotel.

Afterwards we visit the Temple of the Tooth Relic, or "Dalada Maligawa" as it is known to the locals. This sacred temple is located in Kandy and is also home to the palm-leaf transcripts. Its history dates back to 1687. This stunning piece of architecture is instantly recognised by its octagonal shape and golden roof. Although we are not able to view the actual tooth itself, the casket within which it is held is displayed twice a day. We then see a cultural show, which displays a combination of up country and low country dance performances. Dinner tonight is at the hotel.

**11.09.20 Nuwara Eliya - Ella – Udawalawe**

**(B/L/D)**

Today we travel Udawalawe. En-route we visit Ella Gap. Ella is situated 230km from the capital city of Colombo and overlooks a spectacular gap in the southern mountains where the land falls to a dizzying drop of 3000 feet into the Southern Sea. The small town is used as a base for many trekking expeditions to the surrounding areas. This is a great place to stop for a tea break. From the Ella Gap we have a breathtaking view of the south-east part of Sri Lanka. It is a great place for photography. We continue on to Udawalawe and have lunch at the hotel.

This afternoon we enjoy a wildlife safari in Udawalawe National Park, which spans over 308 square kilometres. The park is located in the centre of Udawalawe Reservoir, fed by the Walawe River and is known as a great location to view elephants at close range. We should also see other wildlife, such as sambar deer, wild buffalo, mongoose, bandicoots, fox, water monitor lizards, crocodiles, sloth bears and the occasional leopard. There are also around 30 varieties of snakes and an abundance of bird life.

Dinner this evening is at the hotel.

Accommodation: The Grand Udawalawe Safari Resort

**12.09.20 Udawalawe - Galle - Beruwala**

**(B/L/D)**

After breakfast we travel to Galle. Along the way we will pass an area famous for stilt fisherman. We may see the local fishermen going about their daily routines as they fish in chest-deep water just a few metres off shore perched on a cross bar off a single pole planted into the sea bed. This is a traditional method of fishing amongst the locals

in the southern part of Sri Lanka, but today is mostly performed for tourists. Afterwards we have a tour of Galle, which is recognized as the southern capital of Sri Lanka. It is 116km from Colombo and home to the popular fort called "Santa Cruz", which is listed as a World Heritage Site by UNESCO. The fort, which was initially built by the Portuguese in 1619, has been expanded and further developed by the Dutch and the British. Galle was the main seaport of Sri Lanka before Colombo and to this day is still an active seaport. During the tour of Galle, we will have the opportunity to visit Galle Fort, Old Dutch Church and walk along the Rampart. Lunch will be at a local restaurant. **14.09.20 Beruwala - Colombo**

**(B/L/D)** This morning we commence our trip to the nation's capital Colombo. En route we stop to see some toddy tappers at work. A toddy tapper rope-walks quickly from treetop to treetop at 30 to 40 feet above the ground in order to harvest the sweet milky sap of the cut coconut blossom. We then enjoy a boat ride on the Madu River, which is a complex coastal ecosystem of mangroves and islands. A boat tour is an ideal way to experience hundreds of species of plants and animals in their natural habitat. There are around 64 islands in the river and lagoon. This is followed by a visit to a turtle hatchery in Kosgoda, which comes highly recommended by Lonely Planet. The small town of Kosgoda on the southern strip is famous for its turtle hatchery which is operated by the Wild Life Protection Society of Sri Lanka. At the hatchery, fishermen are paid for rescuing the vulnerable eggs which they collect at night, along the sandy beach. Visitors can see tanks filled with new born hatchlings. After being fed, the baby turtles are returned back to the sea when they are 2 - 4 days old. Once placed on the beach, most baby sea turtles start moving towards the water, flapping their tiny flippers. Visiting this turtle hatchery is both enjoyable and rewarding. Lunch is at a local restaurant. During today's touring we will also visit the Tsunami Museum and learn about the devastating effects that the 2004 tsunami had on this part of Sri Lanka. Later we continue to Colombo and have dinner at the hotel.

Accommodation: Cinnamon Lakeside

**15.09.20 Colombo**

**(B/L/D)** This morning we commence a sightseeing tour of Colombo, Sri Lanka's largest city. We drive through the busy commercial areas as well as the tree-lined residential suburb of Cinnamon Gardens. Visit Fort, the former British administrative centre and military garrison. Then onto Sea Street, which is the Goldsmith's quarter in the heart of Pettah. Also see the Bazaar area, a Hindu Temple with elaborate stone carvings and the Dutch Church of Wolfendhal dating back to 1749. If time permits, we may also see the replica of Avukana Buddha and the Independence Square. Afterwards we visit the Colombo National Museum, which was established in 1877. It is best known for its collection of antiques and objects d'art. Over 500,000 publications of Sri Lanka with more than 4,000 palm leaf manuscripts are found in the library of the museum. Among the exhibits are the regalia of the King of Kandy, ancient and medieval jewellery, a rare

collection of traditional demon masks, wood and ivory carvings, an exquisite collection of Buddhist and Hindu bronzes, specially from the Polonnaruwa period, reproductions of temple frescoes, Chinaware including VOC plates of the Dutch period, antique furniture, numismatics from the earliest period to modern times, lacquered objects, stone sculpture and stone inscriptions. Afterwards we have a chance for some last minute shopping in Colombo, which is a great opportunity for people who enjoy a good bargain on clothes and fashion accessories.
