Tonight there is a farewell to Vietnam dinner at the hotel.

Accommodation: Victoria Chau Doc (river view)

21.03.17 Chau Doc - Phnom Penh

(B/L/D)

Depart Chau Doc for Phnom Penh, a 4 hour boat trip on the Mekong River with 'Blue Cruiser' or 'Victoria', crossing the water border. Arrive Phnom Penh about 1.00pm. Upon arrival in Phnom Penh we are met by our Cambodian tour guide and transferred a short distance for lunch at a local restaurant near the port. Following this we transfer to the hotel for check in.

Phnom Penh was known as the 'Pearl of Asia' and like much of Cambodia was a vibrant and culturally developed city until the 1960's. Suffering at the hands of the Khmer Rouge, the city was once evacuated by Pol Pot's army and became a ghost

town. Today's Cambodia is a country on the move, but still many years behind the development of neighbouring Vietnam or Thailand, though ever-changing. This afternoon we take a traditional method of Phnom Penh transport, the cyclo, to visit some of the sights. The cyclo is used by people to drop their children at school or do their market shopping. It is also a fun way to get around short distances and see the city from a different angle. We visit the Royal Palace which was built by King Norodom in 1866 on the site of the old town. The Palace is made up of a number of structures within a pagoda-style compound, one of which is the Silver Pagoda. The Silver Pagoda takes its name from the 5,000+ silver tiles and the building itself holds a number of national treasures, perhaps most notably a life-sized gold Maitreya Buddha decorated with 9,584 diamonds. There is also a small 17th century Emerald Buddha made from baccarat crystal. This evening enjoy a buffet dinner at the hotel. Accommodation: Sokha Phnom Penh Hotel

22.03.17 Phnom Penh - Siem Reap

(B/L/D)

Today we have an early breakfast at the hotel and then depart for Siem Reap by coach. Travel time is around 6 hours, not including stops. After a couple of hours we reach the market of Skuon, where it is possible to see the local speciality of deep fried tarantula being sold at the local market. Cambodian's are fond of this tasty snack and sometimes stop to buy a few when passing. International tourists are usually content to take photos, rather than to sample this unusual delicacy. We continue to the small and interesting Santuk Silk Farm, which was founded by the Vietnam War veteran, Budd Gibbons. It is here that we will enjoy a tasty Khmer lunch. A short guided tour of the silk farm will provide insight into all stages of production, from the silk worm to the end product. Afterwards we continue to the Spean Praptos Bridge which dates from the Khmer Empire. Apparently the Khmer Rouge tried to blow up this bridge on more than one occasion, but were repelled by the sheer strength of the structure. We arrive in Siem Reap in the late afternoon and check in to the hotel. Dinner tonight is at the hotel.

Accommodation: The Aviary Hotel

23.03.17 Siem Reap

(B/D)

This morning we transfer by a remark (similar to the Thai tuk tuk) to visit Angkor Wat, the most famous of all the temples on the plain of Angkor and the largest religious building in the world. Angkor Wat is a temple complex built for King Suryavarman II in the early 12th century as his state temple and capital city. Angkor Wat is the most significant and best preserved temple complex in the area. It is the only one to have remained a significant religious centre since its foundation, first Hindu and then Buddhist. The temple complex covers 81 hectares and is comparable in size to the Imperial Palace in Beijing. A magnificent moat surrounds the temple on all sides with a long causeway providing access. An alternative eastern entrance is the best way to start a morning tour and avoid the crowds. Take your time to look at more than 3000 Apsara (heavenly maiden) carvings. Afterwards we continue to the ancient city of Angkor Thom, which was the last capital of the Khmer Empire and is surrounded by walls with a height of 8 metres and length of 12 kilometres. Five huge gates with huge stone faces provide access. Angkor Thom holds many important monuments including Bayon Temple, which we will visit. Bayon Temple is easily one of the most fascinating and memorable temples, primarily because of its 216 serene stone faces and 56 towers. The Bayon was built for King Jayavarman VII almost 100 years after Angkor Wat. The bas-relief scenes are one of the highlights, telling of the daily life, legends and battles under the Angkor Empire. 11,000

carvings can be seen over more than one kilometre of temple wall. Following the visit we return to the hotel for a break. In the afternoon we travel to Ta Prohm, a unique temple that has been left to nature with trees and vines growing amongst the structures. This is one of the most photogenic temples in the Angkor area and gained fame as the 'Tomb Raider' temple, after featuring in the Angelina Jolie movie. Enjoy walking along the sandy paths and under huge banyan trees as you explore this 12th century temple.

In modern Cambodia today, there are many projects helping to revive lost art, music and culture. One such example is Artisan d'Angkor. We visit the workshop and see stone carvings, wooden sculptures, lacquer work and paintings, all being produced and many of which can be purchased.

We then return to the hotel to freshen up. This evening enjoy dinner whilst watching a show of Apsara dancing, first performed in the court of kings at Angkor. A set menu of Khmer cuisine will be served as we enjoy the show.

Accommodation: The Aviary Hotel

24.03.17 Siem Reap - Singapore - Australia (B/L)

This morning there is an optional tour to the old market, Psar Chas (at no additional cost). This market is located in the centre of Siem Reap and has a fruit and vegetable section where many restaurants and hotels get their produce. There is also a tourist section which has a wide selection of souvenirs.

Afterwards we enjoy an included lunch at one of the very best restaurants serving traditional Khmer food in a lush, contemporary setting. Located on the riverside, the restaurant has a relaxing tropical garden and a smaller indoor dining area. The menu will take us on an exploration of many recipes almost lost from the Kingdom.

Following this we transfer to the airport for our flights home.

Depart Siem Reap at 3.10pm on Silk Air flight MI 615, arriving in Singapore at 6.45pm.

Sydney passengers depart Singapore at 8.40pm on SQ 221, arriving in Sydney at 7.40am the next morning (25.03.17).

Brisbane passengers depart Singapore at 9.15pm on SQ 235, arriving in Brisbane at 7.15am the next morning (25.03.17).

Melbourne passengers depart Singapore at 9.20pm on SQ 227, arriving in Melbourne at 7.45am the next morning (25.03.17).
