24.03.19 Chau Doc - Phnom Penh

(B/L/D)

Depart Chau Doc for Phnom Penh, a 4 hour boat trip on the Mekong River with 'Blue Cruiser' or 'Victoria', crossing the water border. We arrive in Phnom Penh approximately 1.00pm. Upon arrival in Phnom Penh we are met by our Cambodian tour guide and transferred a short distance for lunch at a local restaurant near the port.

Phnom Penh was known as the 'Pearl of Asia' and like much of Cambodia was a vibrant and culturally developed city until the 1960's. Suffering at the hands of the Khmer Rouge, the city was once evacuated by Pol Pot's army and became a ghost town. Today's Cambodia is a country on the move, but still many years behind the development of neighbouring Vietnam and Thailand, though ever-changing. This afternoon we take a traditional method of Phnom Penh transport, the cyclo, to visit some of the sights. The cyclo is used by people to drop their children at school or do their market shopping. It is also a fun way to get around short distances and see the

city from a different angle. We visit the Royal Palace which was built by King Norodom in 1866 on the site of the old town. The Palace is made up of a number of structures within a pagoda-style compound, one of which is the Silver Pagoda. The Silver Pagoda takes its name from the 5,000+ silver tiles and the building itself holds a number of national treasures, perhaps most notably a life-sized gold Maitreya Buddha decorated with 9,584 diamonds. There is also a small 17th century Emerald Buddha made from baccarat crystal. Please note that there is a dress code for the Royal Palace. Shoulders should be covered and shorts should go down as far as the knee. Please limit any jewellery for this days activities and do not openly carry any valuables on the cyclo ride. This evening we enjoy dinner at the hotel.
Accommodation: Sokha Phnom Penh

25.03.19 Phnom Penh - Siem Reap

(B/L/D)

This morning we depart for Siem Reap by coach. Travel time is around 6 hours, not including stops. After a couple of hours we reach the town of Skuon, where it is possible to see the local speciality of deep fried tarantula being sold at the local market. Cambodians are fond of this tasty snack and sometimes stop to buy a few when passing. International tourists are usually content to take photos, rather than to sample this unusual delicacy. We continue to the small and interesting Santuk Silk Farm, which was founded by a Vietnam War veteran. It is here that we will enjoy a tasty Khmer lunch. A short guided tour of the silk farm will provide insight into all stages of production, from the silk worm to the end product. Afterwards we continue to the Spean Praptos Bridge which dates from the Khmer Empire. Apparently the Khmer Rouge tried to blow up this bridge on more than one occasion, but were repelled by the sheer strength of the structure. We arrive in Siem Reap in the late afternoon and check in to the hotel. Dinner tonight is at the hotel.
Accommodation: Tara Angkor Hotel

26.03.19 Siem Reap

(B/D)

This morning we take a remork (similar to the Thai tuk tuk) to visit Angkor Wat, the most famous of all the temples on the plain of Angkor and the largest religious building in the world. Angkor Wat is a temple complex built for King Suryavarman II in the early 12th century as his state temple and capital city. Angkor Wat is the most significant and best preserved temple complex in the area. It is the only one to have remained a significant religious centre since its foundation, first Hindu and then Buddhist. The temple complex covers 81 hectares and is comparable in size to the Imperial Palace in Beijing. A magnificent moat surrounds the temple on all sides with a long causeway providing access. An alternative eastern entrance is the best way to start a morning tour and avoid the crowds. Take your time to look at some of the 3000 Apsara (heavenly maiden) carvings. Following this we head to the ancient city of Angkor Thom, which is surrounded by walls with a height of 8 metres and length of 12 kilometres. This city was the last capital of the Khmer Empire. Five huge gates with huge stone faces provide access. Angkor Thom holds many important monuments, including the Bayon Temple, which we will visit. Following this we return to the hotel for a short break.

In modern Cambodia today, there are many projects helping to revive lost art, music and culture. One such example is Artisan d'Angkor. We visit the workshop and see stone carvings, wooden sculptures, lacquer work and paintings, all being produced and many of which can be purchased.

Later we return to the Angkor Zone and visit Ta Prohm, a unique temple that has been left to nature with trees and vines growing amongst the structures. This is one of the most photogenic temples in the Angkor area and gained fame as the 'Tomb Raider' temple, after featuring in the Angelina Jolie movie. Enjoy walking along the

sandy paths and under huge Banyan trees as we explore this 12th century temple. Afterwards we return to the hotel to freshen up. This evening we enjoy a dinner whilst watching a show of Apsara dancing, first performed in the court of kings at Angkor. A set menu of Khmer cuisine will be served as we enjoy the show.
Accommodation: Tara Angkor Hotel

27.03.19 Siem Reap – Singapore

(B/L)

This morning there is an optional tour at no additional cost with two stops. First we visit the Old Market, located in the centre of Siem Reap. The market has a fruit and vegetable section where many local restaurants and hotels will come to pick up goods. There is also a tourist section with a wide selection of souvenirs. Our second stop is to learn about the famous rodents at the Apopo Visitor Centre. Landmines left over from three decades of war are still a problem for farmers and the local people in the Cambodian countryside. Whilst the use of humans with metal detectors and mine detecting dogs have made a major impact, there is still plenty left to do. Following the success of using large ‘hero rats’ in Angola and Mozambique they have also been used in Cambodia since 2015. Not weighing enough to trigger a landmine when walked across, the rats are smart enough to smell the explosive and give a warning note to the handler. The mines can then be isolated and removed. At the Apopo Visitor Centre, take a short tour to learn about their work with a short demonstration by a mine detecting ‘hero rat’.

Following this we enjoy lunch at one of the very best restaurants serving traditional Khmer food. Located on the Riverside the restaurant has a relaxing tropical garden and smaller indoor dining area. The menu will take us on an exploration of many recipes almost lost from the Kingdom.

Later we transfer to the airport for our flights home.
All passengers depart Siem Reap at 6.25pm on Silk Air flight MI 636, arriving in Singapore at 9.40pm.

28.03.19 Singapore – Australia

Melbourne passengers depart Singapore at 00.25am on SQ 237, arriving in Melbourne at 10.50am.

Brisbane passengers depart Singapore at 00.45am on SQ 255, arriving in Brisbane at 10.45am.

Sydney passengers depart Singapore at 00.45am on SQ 231, arriving in Sydney at 11.40am.
