(B/L/D)

Breakfast at the hotel. We begin our exploration of the Angkorian temples this morning by visiting the ancient city of Angkor Thom. Surrounded by walls with a height of 8 metres and length of 12 kms, this city was the last capital of the Khmer Empire. Five huge gates with huge stone faces provide access. Angkor Thom holds many important monuments, including the Bayon Temple, located in the exact centre. We continue to Ta Prohm, a unique temple that has been left to nature with trees and vines growing amongst the structures. This is one of the most photogenic temples in the Angkor area and gained fame as the 'Tomb Raider' temple, after featuring in the Angelina Jolie movie. Enjoy walking along the sandy paths and under huge Banyan trees as we explore this 12th century temple. Afterwards we return to the town of Siem Reap and enjoy an Asian fusion set lunch at Mahob. Combining the talents of the chef/owner with the freshest local ingredients, the restaurant offers a peaceful location to experiment with tantalising Khmer and fusion offerings. Mahob is set in a carefully restored Khmer wooden house. We then return to the hotel, with the remainder of the afternoon at leisure. This evening enjoy dinner whilst watching a show of Apsara dancing, first performed in the court of kings at Angkor. A set menu of Khmer cuisine will be served as we enjoy the show.

Accommodation: Tara Angkor Hotel

19.02.18 Siem Reap - Angkor Wat

(B/L)

This morning we take a remark (similar to the Thai tuk tuk) to continue our exploration of the Temples of Angkor, by visiting Angkor Wat, the largest religious building in the world. Angkor Wat is a temple complex built for King Suryavarman II in the early 12th century as his state temple and capital city. Angkor Wat is the most significant and best preserved temple in the area. It is the only one to have remained a significant religious centre since its foundation, first Hindu and then Buddhist. A magnificent moat surrounds the temple on all sides, with a long causeway providing access. An alternate eastern entrance is the best way to start our morning tour and avoid the crowds.

In modern Cambodia today, there are many projects helping to revive lost art, music and culture. One such example is Artisan d'Angkor. We visit the workshop and see stone carvings, wooden sculptures, lacquer work and paintings, all being produced and many of which can be purchased.

Afterwards we return to town for lunch at Haven restaurant. Haven is a training restaurant for vulnerable young adults from orphanages and safe shelters, as well as underprivileged young adults from poor and rural areas. By teaching them quality work skills and important life skills these young people are supported in their transition from an institution to the real world, as well as giving them a chance to

step out of the poverty cycle. Lunch is a set western menu.

Take a break this afternoon at the hotel. In the later afternoon we enjoy some modern Khmer theatre at a performance of Phare, the Cambodian Circus, by professional artists from Phare Ponleu Selpak. Originally a project set up in refugee camps as a way to encourage young people to express themselves using art, the Phare Circus is slowly becoming a world wide name and a good example of responsible tourism that has been a success story. Enjoy an hour long show, which is a great example of modern Cambodia and mixes theatre, dance, music, juggling and contortion. Afterwards we return to the hotel.

Accommodation: Tara Angkor Hotel

20.02.18 Siem Reap - Singapore

(B/L)

This morning we travel into the Cambodian countryside and out to the temple of Banteay Srei, dedicated to the Hindu God, Shiva. This is one of the most picturesque temples and a morning visit provides a great opportunity to appreciate one of the most stunning achievements of Angkorian artisanship. Small in size, the carvings are exquisite in this temple, one of the best preserved in Cambodia. Banteay Srei is different to the other temples, as it is constructed of pink sandstone. Next visit the Landmine Museum, located near Banteay Srei. The museum was founded by Mr Aki Ra, who was once a child soldier for the Khmer Rouge, before changing allegiance, to work as a de-miner, first for the Cambodian Army and later for the United Nations. Aki Ra won an award from CNN as one of the Top Ten Heroes in 2010. Along with his Cambodian Self Help De-mining Group, they have helped clear approximately 50,000 mines and weapons, many of which can be seen at the museum today. Our entry fee helps support Cambodian Self Help De-mining village school projects and the relief facility that cares for children who suffer from a variety of physical, emotional and family difficulties.

We enjoy lunch at one of the very best restaurants serving traditional Khmer food in a lush contemporary setting. The restaurant is located on the riverside and has a relaxing tropical garden and smaller indoor dining area. The menu will take us on an exploration of many recipes almost lost from the Kingdom.

Later we transfer to Siem Reap Airport for our flights home.

Depart Siem Reap at 6.25pm on Silk Air flight MI 636, arriving in Singapore at 9.40pm.

Melbourne passengers depart Singapore at 11.45pm on SQ 237, arriving in Melbourne at 10.10am the next morning (21.02.18).

21.02.18 Singapore – Australia

Brisbane passengers depart Singapore at 00.45am on SQ 255, arriving in Brisbane at 10.45am.

Sydney passengers depart Singapore at 00.45am on SQ 231, arriving in Sydney at 11.35am.
