We have a short walk from our hotel to the train station for an included subway ride on the London Underground to Victoria Station. We then have a 5-10 minute walk to the Royal Mews at Buckingham Palace to commence our included tour.
Buckingham Palace is the official London residence of the monarchy since 1837. The palace is the centrepiece and jewel in the British crown. Starting its life as a private house called 'Buckingham House' built in 1705 for the Duke of Buckingham, it was eventually bought into royal hands in 1761 by King George III and renovated over time to the palace we know today. Enjoy the tour at your own pace with an audio guide that explains the history of the palace and the various rooms. We will tour the State Rooms and see the Throne Room, The White Drawing Room and the Ballroom, each more lavishly decorated than the last and filled with ornate furniture, paintings and treasures. At the end of the visit we assemble at the south side of the palace garden and meet our guide to transfer to the next part of our royal journey, Windsor Castle.
The largest, continuously occupied castle in Europe, Windsor Castle is the spiritual home of the monarchy with a history that stretches back more than 900 years to the days of William the Conqueror. Marvel at the splendour of the State Apartments, renowned as the grandest apartments in England, where paintings by Van Dyck and

Rubens hang from the walls, and the ceilings are painted with elaborate, magnificent murals.

Step inside St George's Chapel, where HRH Prince Harry married Ms Meghan Markle, and the tombs of prominent previous monarchs are located, including Henry VIII and Charles I. If Her Majesty is in Windsor during our visit, we may even be fortunate enough to see the Royal Standard flying on the flagpole of the Round Tower. During today's touring we enjoy an included two course lunch.

The tour finishes at approximately 6.30pm at Victoria Train Station. We then have an included subway ride back to our hotel.
