Upon arrival in Amsterdam, we are met and transferred to the city centre, where we have a 15 minute walk to visit the Anne Frank House with a local guide (coaches are no longer allowed in the city centre).

Anne Frank House is a biographical museum dedicated to Jewish wartime diarist Anne Frank. During World War II, Anne Frank hid from Nazi persecution with her family and four other people in hidden rooms at the rear of the 17th-century canal house, known as the Secret Annex. She did not survive the war but her wartime diary was published in 1947. The museum opened on 3 May 1960. It preserves the hiding place and has a permanent exhibition on the life and times of Anne Frank.

Following this we are transferred to the cruise port to board the MS Victor Hugo to commence our European river cruise. Boarding commences at 6pm.

The MS Victor Hugo was built in 2000 and renovated in 2019. The two deck vessel is 82 metres long and can carry 90 passengers. The ship's facilities include a dining room, lounge bar with dance floor, sundeck and onboard WiFi in the lounge. The cabins are either twin bed or double bed configuration, and are equipped with television, bathroom with shower and toilet, independent air conditioning and a safe. Later we depart from the ship on foot to reach the riverboat where we'll start an included guided tour of Amsterdam by night. We will pass the Port of Amsterdam, made famous by the beloved Jacques Brel song. We glide further into the renowned Amsterdam canals, providing an ideal vantage point on the city's wonderful architecture. Our tour will take us through the four large canals surrounding the centre, the Prinsengracht, Keizersgracht, Herengracht and Singel canals. The Singel River was transformed into a canal in the 14th century to become part of the city's defensive belt, while the other three were conceived at the beginning of the Golden Age as a means to expand the city. ..

Amsterdam - Excursion to Volendam, Zaanse-Schans & The Hague

This morning we leave by coach with our guide for Volendam, a charming village that has preserved its character for over six centuries thanks to the tough vitality of its fishermen. We'll then visit a cheese factory in the area to discover how the famous Gouda cheese is made. Enjoy tasting the different flavours and ages available of one of the most popular cheeses in the world. We then head for Zaanse Schans, an open air museum with wooden windmills, barns, and houses. Take a walk through the stunning buildings and the unique peat landscape or watch traditional clog making techniques. Take advantage of some free time on this excursion to indulge in authentic Dutch traditions. We'll return to our ship in Amsterdam by coach and have lunch onboard.

This afternoon we depart the ship for The Hague, the seat of the Dutch parliament and one of the most beautiful cities in the country. The Hague is also known as the 'Royal City by the Sea,' since the Royal Family enjoys this location for their vacations. The Hague counts no less than 155 courtyards, making it the courtyard capital of Holland. Our guide will show us some of the most splendid courtyards, including the Hof van Wouw, Hof van Nieuwkoop and the Rusthofje. Delfzijl – Papenburg, Germany – Oldenburg

We cruise towards Papenburg and commence a guided tour of the Meyer Werft Shipyard. Founded in 1795, the shipyard has been owned and managed by the Meyer family for six generations. The first ships that were built there were small wooden vessels. Less than a hundred years later, the first iron ship was launched notwithstanding the other manufacturers mocking the idea, thinking that iron could not float. Meyer Werft gained international recognition through the construction of roll on/roll off ferries, passenger ferries, gasoline tankers, container ships, livestock ferries and most recently luxury cruise ships. Due to its upstream location on the River Ems, the giant ships to be delivered have to make a 36 km voyage to the Dollart. Our guide will tell us all about the various stages in the construction of these floating sea monsters during a 1½ hour tour.

Our ship will be sailing during the excursion and we will return by coach after the Doerpen or Delfzijl locks. Please note our visit of the shipyards will be on foot and guests will only see the shipyard from behind bay windows.

Oldenburg - Bremen

Enjoy some free time for a brief stroll around Oldenburg. Our ship will then depart for Bremen. In Bremen we will visit the historic centre of this Hanseatic city with a

local guide. Bremen is one of the oldest German maritime cities. It was granted the right to hold markets as early as 965 and joined the Hanseatic League in 1358. It became a Free Imperial City in 1646 and established a direct commercial relationship with the USA in 1783. Traditionally, the city is known for its cotton and coffee trade. Our visit will start with the working-class district of Schnoor, located on the banks of the Weser River. This is the oldest district in Bremen and its narrow streets filled with small half-timbered houses and a big church form a charming ensemble. The neighbourhood owes its name to old handicrafts associated with shipping.

We'll continue towards the market place where we'll get to see St Peter's Cathedral and the wonderful City Hall in Weser Renaissance style. Our visit ends after a walk down the Böttcherstrasse, a street famous for its unusual architecture belonging to a variant of the expressionist style. We'll pass the entrance gate with its impressive golden fresco depicting the Lichtbringer, Bringer of Light. Following this there is some free time before returning to the ship.

During this time our ship will sail to Stolzenau. Once re-joining the ship we'll proceed to Minden.

09.08.20 Minden – Hanover – Anderten - Braunschweig

(B/L/D)

We cruise early this morning to Hanover and then commence a guided tour.

We depart the ship by coach to discover the capital of the Land of Lower Saxony. From the 17th century onwards, Hanover played a major role in politics. In 1714, the son of Ernst-August of Hanover became King of Great Britain under the name of George I, a personal union which was a considerable source of prestige for the principality of Hanover. We pass alongside the famous Baroque Gardens of Herrenhausen before heading for the 18th century New City Hall, where our guides will explain Hanover's history with the help of four models showing the city at different times (1875, 1939, 1945 and today). We will continue with a panoramic city tour to see the main sights such as Niki de Saint Phalle's Nana statues on the banks of the Leine, the Maschsee, an artificial lake dug by unemployed workers on a job creation scheme in the 1930s - the Opera House, the Grand Theatre, the ruins of the Aegidien Church bombed during the war and where the Peace Bell now hangs, and many more. We will stop for a stroll through the Old Town, to see the Market Church and its curiosities, the 15th century Old City Hall and Leibniz's House. The visit ends at the bus station where our coach will drop us off and we bid our guide goodbye. We have some free time in the central station area to see the modern city centre. During our tour the ship will sail to Anderten, where we will board at the end of our free time and continue sailing to Braunschweig.

This evening we enjoy a gala dinner.

Braunschweig – Bulstringen - Magdeburg

Our ship will begin to cruise early this morning to Bulstringen. We depart by coach for Magdeburg, which was once the cradle of the German nation. The first Germanic Holy Roman Emperor, Otto the Great, had an imposing cathedral built here and made the town into an Archbishopric. Magdeburg became a centre for western Christianity and the High Court of judicial power in the Middle Ages. We'll begin our tour with the Magdeburg Cathedral, home to the tomb of Emperor Otto I the Great. Magdeburg is a Hanseatic city located midway on the Elbe River and the Roman Roads. Its sacred monuments include the Magdalenskapelle, St. Petrikerche, Wallonerkerche, Monastery of Our Lady and St. John's Church. We'll continue our panoramic tour by seeing the city's main monuments, including the citadel. Once located in East Germany, the city has retained its grey, square, Soviet-style buildings which are embellished today with moulding and decorations. We'll visit the marketplace to see the magnificent replica of the Magdeburger Reiter, as well as the town hall and its bronze door. We'll finish up the tour with some free time to explore and then return to the ship.

Magdeburg – Brandenburg - Potsdam

Early this morning we commence cruising to Brandenburg. We then leave by coach for a panoramic tour of Potsdam and a visit to the Sanssouci Gardens. Our local guides will help us discover the history of Prussia and its illustrious monarchs. In Potsdam we walk through the gardens at the Sanssouci Palace. We'll walk the flower-lined pathways and staircases leading through the terraced garden to the residence of Frederick the Great, built between 1745 and 1747. The personal tastes of the king had such an influence on the design and the decoration of the palace that its style is often referred to as 'Frederician Rococo'.

We'll get back on the coach and take a trip around the Sanssouci Park to admire its fabulous structures before heading to Cecilienhof Palace. The palace was built from 1914 to 1917 for Crown Prince William and his wife, Cecilie von Mecklenburg-Schwerin, as a gift from Emperor Wilhelm II. After the end of the war in Europe, the Potsdam Conference, attended by Stalin, Churchill and Truman, was held in the palace from 17th July – 2nd August, 1945. Here, Churchill and Truman also defined the terms of surrender for Japan.

After our visit we'll head back to downtown Potsdam for some free time in the Dutch district before returning to the ship by coach.
