We have a two hour drive from our hotel to southwest Bavaria to visit this 19th century castle, which is situated on a rugged hilltop and provides an excellent view of the Bavarian Mountains. The castle was intended as a home for King Ludwig II of Bavaria, until he died in 1886. It opened to the public shortly after his death. Since then more than 61 million people have visited the castle, with about 1.3 million visitors annually. The castle appeared prominently in several movies, such as Chitty Chitty Bang Bang and The Great Escape. 27.07.19 Melk - Vienna

(B/L/D)

Today we enjoy an included tour of Melk Abbey. Originally a Baroque-style palace built between 1702 and 1736, it is now a Benedictine monastery that hosts a

prestigious co-ed school with more than 900 students. We will visit the marble hall, the world famous library and the bedchambers where a number of illustrious visitors have slept. Afterwards we return by coach to our ship and depart for Vienna.

The first half of the concert will be devoted to Mozart compositions, and the second half to Strauss. The orchestra consists of eight to thirteen musicians, two singers and two dancers. During intermission, a free drink will be served (orange juice or sparkling Austrian wine).

Accommodation: Onboard

28.07.19 Vienna – Bratislava, Slovakia

(B/L/D)

In the morning we will commence our included tour of Vienna by taking the famous Ring to reach Schoenbrunn Palace. The "Ring" was one of the personal projects of Emperor Franz Joseph. In 1857, he decided to take down the ramparts that enclosed the city centre and had this boulevard built lined with fine buildings. Along the Ring we can admire this architectural showcase of the old Austro-Hungarian monarchy, including the State Opera, the Hofburg Palace, the Natural History Museum, the City Hall, the Burgtheater and more.

When we arrive at Schoenbrunn Palace, we will be guided through the numerous rooms of the Hapsburgs' summer residence, which bear witness to the splendour of the Court at the time of Maria Theresa. We will also have some time to wander through the Palace gardens. Following this we are transferred to the city centre to enjoy some free time in the area around St Stephen's Cathedral.

We will then return to the coach and are transferred back to the ship for our cruise to Bratislava. Before becoming the capital of independent Slovakia in 1993, Bratislava was the capital of Hungary from 1536 to 1784 under its former name Presburg. It then belonged to Czechoslovakia before becoming the capital of the Slovak Socialist Republic as part of Czechoslovakia between 1969 and 1992.

In the afternoon we will commence a panoramic tour of the city, which will take us to Bratislava Castle, which dates from 1811, after the previous castle burned down. From here we will enjoy a breathtaking view over the Danube and the city below. The main historical monuments are located in the Old Town and the coach will drop us off at the entrance to the Old Town to continue our visit on foot. We will enter the city through Michael's Gate, which is the only gate still surviving from the Middle-Ages. Then we will head for the central square, surrounded by elegant buildings and dominated by the old Bratislava Town Hall. The tour continues with the Primate's Palace completed in 1781 for Archbishop Jozef Bathyány.

As we stroll through the streets, we may come across some of the amusing statues that are dotted around the capital. After the tour there is some free time before returning to the ship on foot.

Later we commence cruising to Budapest.

Accommodation: Onboard

29.07.19 Budapest, Hungary

(B/L/D)

This morning we have an included panoramic tour of Budapest, the Pearl of the Danube. First we will head for the hills of Buda by crossing the Elizabeth Bridge and we will go up to the Castle Quarter, from where we'll enjoy a fantastic panoramic view of the city. We will walk round the Castle Quarter and on to the Fisherman's Bastion, built in neo-Roman style in 1902. Behind the Bastion, we

will find Matthias Church, the oldest church in the city founded in 1015 by Saint Stephen, which notably was the venue for the coronation of Emperor Franz Joseph and his wife "Sissi". Our coach will take us down to the plains of Pest. There, we will visit Heroes' Square whose central monument depicting Prince Arpad and the chieftains of seven Magyar tribes was built for the millennium of Hungary. We will pass by the famous Szechenyi thermal baths, the zoo, Vajdahunyad Castle and more. We will walk through the famous Andrassy Avenue and pass by St. Stephen's Basilica whose construction began in 1851 and was not completed until 1905. We will walk along the river and see the famous Parliament building overlooking the Danube with its white silhouette in the Byzantine and neo-Gothic styles. Afterwards we return to the ship, with the remainder of the afternoon at leisure.

This evening we transfer by coach in the company of our guides to a theatre downtown for a traditional Hungarian show. The 1½ hour show will take us across all the regions of Hungary, through its folklore and Gypsy dance and music. Later we return to the ship by coach. Our ship will cruise through the night.

Accommodation: Onboard

30.07.19 Budapest – Kalocsa – Bezdán, Serbia

(B/L/D)

We'll arrive in Kalocsa, Hungary and have a half day visit to the Puszta, also known as the Great Plain of Hungary. We depart by coach in the company of our host in the direction of Kiskunsag Park, at the heart of the Puszta. The Puszta is a large, flat grassland that was regarded as the 'Wild West of Hungary' in the 19th century with cow-boys watching over colossal cattle herds grazing on pasture. The Puszta has been listed as a World Heritage Site by UNESCO since 1999. Riding aboard a charabanc (traditional horse-drawn carriage with wooden benches) we'll be amazed by the wonderful landscapes and unusual fauna of the Puszta. In a small part of the Hungarian Steppe, we'll get a chance to observe Racka sheep with their spiral-shaped horns, Mangalica pigs with their curly coats and Hungarian Grey cattle with their long, curved horns, as well as rare species of birds. In the course of our visit, we'll also get the chance to attend a traditional equestrian show while tasting "palinka" and some "pogacska" (small savoury buns) as well as mineral water, sheltered from the sun under a thatched roof. The csikós, the mounted horse-herdsmen of Hungary dressed in traditional blue attire, will invite us to take part in their games of skill and ability.

Afterwards we return to the ship and cruise through the night to Novi Sad in Serbia.

Accommodation: Onboard

31.07.19 Novi Sad – Belgrade, Serbia

(B/L/D)

This morning we set off by coach to visit the town of Novi Sad, capital of the autonomous region of Vojvodina and the second largest town in Serbia. The town has a long and troubled history, being under the rule of the Celts, Romans, Franks, Barbarians and Turks until it became part of the Habsburg Empire. The history of the town was further troubled during the 20th century when after the First World War, the Balkan territories were in turn united and separated under different names, until in 2006 when the town finally became part of an independent Serbia.

We'll visit the city centre on foot and the Austro-Hungarian old town, with its baroque buildings which were established around the ancient fortifications. We'll get the chance to visit the Episcopal Church as well as an orthodox church before we continue up the main street to Freedom Square where we'll find the Town

Hall, dating from 1895. The coach will be waiting for us near Freedom Square to finish the visit with a panoramic tour up the main boulevards.

We will continue by coach to the little village of Sremski Karlovci where we'll visit the Cathedral of St Nicholas, built in typical baroque style in 1758, and the first ever secondary school of Serbia dating from the end of the 18th century which has a library housing around 18,000 books. We'll take time to admire the Four Lions Fountain, built in 1799 to celebrate the town's first ever waterworks.

We return to the ship and cruise to Belgrade.

This evening we transfer by coach to a hotel for a traditional evening in Belgrade. We enjoy one hour of traditional dances and songs that will take us through the regions of Serbia. After the show the coach will take us to the Skadarlija district, a bohemian quarter nicknamed the "Serbian Montmartre" for a snack of some local specialties in a traditional café surrounded by musicians. Following this we are returned to the ship.

Belgrade – Donji Milanovac

Today we have a guided tour of the Serbian capital. Belgrade is one of the oldest cities in Europe, with a history stretching back some 7,000 years. The city is located at the confluence of the Sava and the Danube rivers, close to the Morava Corridor, which links the countries of the Danube to the Aegean Sea. We begin our visit with a panoramic city tour, during which we will have the opportunity to see Belgrade's National Theatre and National Museum, the Royal Palace, which currently houses the City Assembly of Belgrade, the Ancient Royal Palace and more. We'll stop to visit the Orthodox Temple of St Sava. The construction of this church began in 1939, and is still a work in progress following the Second World War and Tito's dictatorship. Construction recommenced in 2001 and is funded exclusively by charitable donations. We have some free time in the city centre, before transferring to Kalemegdan Park, the largest and most beautiful park in the city. Later we return to the ship by coach. The remainder of the day is at leisure.

The Iron Gates

The day will be spent cruising on the Danube. Our ship will pass through the Iron Gates, the gorge on the Danube that forms part of the boundary between Serbia and Romania. It was called "The Cauldrons" by ancient sailors, since the water, held tightly between two steep cliffs, seems to be boiling. On the Serbian bank of the river, we'll catch a glimpse of the Tabula Traiana, a marble plaque honouring the Roman Road that once linked Rome to the province of Dacia.

Tonight is our gala evening and dinner.

03.08.19
(B/L/D)

Ruse, Bulgaria

Today we'll set off by coach to the Valley of Roussenki Lom for a visit to the rock-hewn church of Ivanovo, listed by UNESCO as a World Heritage Site. The valley is located in North-East Bulgaria, and contains several churches, chapels, monasteries and cells, all of which were discovered close of the village of Ivanovo. The first hermits dug their cells and their churches out of bedrock to a height of over 50 metres, as early as the 12th century. The 14th century murals show the exceptional skill of the artists, belonging to the Tarnovo School of painting. We'll

visit the Church of the Holy Virgin, which is one of the most interesting churches dating from the 12th century. The 14th century paintings bear witness to an exceptional artistic technique.

Our excursion continues with a visit to the Medieval Fortified Town of Cherven, from where we can enjoy magnificent panoramic views. Built in the 6th century by the Byzantines, the fortress was one of the most important in Bulgaria from the 12th century onwards. We return to the ship by coach.

In the afternoon we enjoy a tour of the city of Ruse, with its impressive broad avenues, large squares and wonderful buildings which pay tribute to the architecture of the national Renaissance. Ruse was founded by the Romans under the orders of Emperor Augustus. In the company of our guide, we'll discover the fascinating architectural heritage of the town, which is a rich mixture of Bulgarian and Romanian cultures. We pass by the Dohodno Zdanie (Old Theatre), the Monument of Liberty and the Catholic Church with its multi-coloured stained-glass windows. We'll end our visit with a tasting of a local pastry and wine and then have some free time to go shopping before our coach takes us back to the ship. This evening we enjoy dinner and traditional entertainment onboard the ship.

Accommodation: Onboard

04.08.19 Ruse – Giurgiu – Excursion to Bucharest - Oltenita, Romania

(B/L/D)

Our ship will cruise to Giurgiu, where we begin a full day excursion to Bucharest. Bucharest offers a striking combination of architectural styles including orthodox churches, Empire-style manor houses and Communist-inspired architecture. According to legend, the city was founded by a shepherd called Bucur, which means 'joy' in Romanian. Bucharest has suffered greatly from its communist past, but has somewhat modernised since the year 2000, due to significant economic growth.

We'll start our visit with a panoramic tour of the city giving an overview of the various monuments of the capital. We'll then head to a restaurant for a typical Romanian lunch with traditional music and folklore dancing to entertain us. After lunch, we'll visit Bucharest's Eco-museum, a genuine village in the city where we'll learn about the habitats of the different regions of Romania and their handicrafts. We'll conclude our visit with a photo stop at the Palace of Parliament, a gigantic neo-classical style marble construction designed by Ceausescu, before visiting the Orthodox Church.

Afterwards we return to our ship in Oltenita.

Accommodation: Onboard

05.08.19 Tulcea – The Danube Delta

(B/L/D)

We'll board small local boats with a capacity of 50 passengers to discover the flora and fauna of this biosphere in the company of our guides. The site is one of 300 international biosphere reserves designated by UNESCO to try to measure the impact of Man on the environment. The human presence on the North and South banks of the Delta has been in evidence since Neolithic times, when the Delta was still only a gulf in the Black Sea. The Danube Delta is home to more than 1200 different varieties of plants, 300 species of birds and 45 different freshwater fish varieties in its many lakes and marshes. During our visit, we may be lucky enough to catch a glimpse of some white pelicans, dwarf cormorants, glossy ibis or other species. We'll return to our ship on foot.
