08.05.17 Hong Kong

(B/D)

This morning we will have a half day Hong Kong Island Tour.

Our first stop is Man Mo Temple, which was built in 1847 and dedicated to the gods, Man (Literature) and Mo (Martial Arts). The temple is notable for its many fine, well-polished brass and pewter incense burners. Our next stop is Victoria Peak, overlooking the west of Hong Kong Island. It is the highest peak on the island and the most enduring tourist attraction in Hong Kong. We take a ride on the city's oldest transport, the 112 year old Peak Tram. In the early colonial rule, Victoria Peak was accessible only to Hong Kong's high society while the commoners could only visit the peak by permit from the colony's governor. Today Victoria Peak is a world renowned scenic spot. Our ride on the Peak Tram ascends to Victoria Peak, which is 1805 feet above sea level. On the peak we will experience the dazzling panorama of Hong Kong Island, the harbour, Kowloon Peninsula and the hills beyond.

We also visit Aberdeen, located on the southern tip of Hong Kong Island. It is the largest satellite town with a population of about 60,000. It was a pirates den two centuries ago and later turned into a simple fishing village. In recent years, with local high rise building developments, Aberdeen has modernised and now it has become a vibrant waterfront resort for people from metropolitan Hong Kong. Despite modernization, traditional fishing life still prevails. Hundreds of junks and sampans serve as floating homes for thousands of people. They crowd in the narrow harbour, dramatically juxtaposed against the modern high rise buildings that spread up the nearby hillsides. We take a sampan ride in the harbour to truly appreciate this fascinating place, followed by a visit to a prestigious jewellery factory, where we can find famous hand-crafted jewellery.

We also stop at Stanley Market. Stanley is a coastal village on the southern side of Hong Kong Island. It is a must see place for visitors to Hong Kong. Stanley used to be a small fishing village but in recent years, a series of restaurants and pubs have been established here. Now this village is bustling with throngs of people. Stanley Market is located up the road from the harbour and is the highlight of Stanley. Over the years it's become known for its bargains, which includes silk garments, sportswear, art, Chinese costumes, souvenirs, ornaments and a host of fantastic crafts. It is one of the famous open-air markets in Hong Kong. Strolling in this street and bargaining with the shrewd vendors is something most travellers find amusing to try.

Afterwards we are returned to the hotel for some free time. Your hotel room will be available until 6pm.

This evening we check out of the hotel and transfer to the pier for a cruise onboard the MV Rainbow Star to Lamma Island, which is located on the south west side of Hong Kong Island. Here we will enjoy a seafood dinner with award winning dishes at the Rainbow Seafood Restaurant. Visitors from all over the world flock to the island to enjoy fresh seafood at a plethora of terraced restaurants raised on stilts above the bay. After dinner we cruise back to the mainland while enjoying the world class multimedia light and sound show 'A Symphony of Lights'. This show has been awarded the world's largest

permanent light and sound show by Guinness World Records. After disembarking the ship we are transferred to the airport for our flights to Russia.

09.05.17 Hong Kong – Helsinki - Moscow, Russia

(D)

Depart Hong Kong at 12.25am on Finnair flight AY 70, arriving in Helsinki at 6.00am. Then depart Helsinki at 9.25am on flight AY 153, arriving in Moscow at 11.05am. Upon arrival we are met and transferred to our ship, the MS Tolstoy. Later this afternoon there will be an information briefing. Dinner is onboard the ship, followed by live music in the bar for this evenings entertainment.

The MS Tolstoy is a quality five deck vessel that is 115 metres long and travels at a speed of up to 25 KMPH. The ship was constructed in Austria using high quality materials and at a much higher cost than other ships. The Tolstoy was originally designed for high ranking Kremlin officials and to host foreign dignitaries. It can take 160 passengers and is equipped with a restaurant, Panorama Bar and musical lounge, small swimming pool, coffee bar, beauty salon, medical room, souvenir store and more. All cabins are outside with scenic windows and equipped with private facilities, air conditioning, refrigerators and electricity supply.

Accommodation: On board

10.05.17 Moscow

(B/L/D)

Moscow is Russia's largest city, as well as it's political and economic capital. Through bribes, diplomacy and coercion, Moscow overcame its two rival principalities to become Russia's first city. Moscow's role was briefly challenged when Tsar Peter the Great moved the capital to his new city Saint Petersburg, on the shores of the Baltic Sea. Today we have a bus city tour including Leningradskaya Avenue, Tverskaya Street, Theatralny Passage, Lubyanka, K.G.B. Building and Manezh Square. We also have some free time in Red Square. See GUM department store building, Historical Museum, Resurrection Gate, Kazan Church, Intercession Cathedral and the Cathedral of Christ the Saviour. Lunch is at a restaurant in the city.

This afternoon is very special, as we will go inside the Kremlin - the ancient castle built to withstand the Mongol hordes. Throughout history, the Kremlin has been the centre of political power in Russia and it remains a symbolic political centre even today. It is the official site of the inauguration ceremony of the Russian President. The Kremlin is a living museum of Russia's history. This historical treasure has been so well preserved that it seems that we are travelling back in time. We will see the most interesting places in the Kremlin as we follow our professional guide in the steps of some of the world's greatest leaders and its most terrible dictators. See the Palace of Congresses, Senate Square, Arsenal & Senate buildings, residence of the President of the Russian Federation, Tsar Bell and Tsar Cannon. Also see Assumption Cathedral and Annunciation Cathedral, with a visit to one of them.

Afterwards we are returned to the ship (unless doing optional tours).

This evening you may wish to take part in some of the optional excursions on offer which may include the National folk show 'Kostroma' or Moscow by Night & Metro.

Accommodation: On board

11.05.17 Moscow

(B/L/D)

Today is at leisure to explore Moscow or relax on the ship. The optional excursions available should include Tretyakov Gallery and New Maidens Convent. Later this afternoon all passengers will return to the ship for our departure to Uglich.

Tonight there will be a presentation of the crew and staff with the Captain's Welcome Cocktail Party. You are requested to be elegantly dressed for this evening. Dinner is onboard the ship followed by live music in the bar.

Accommodation: On board

12.05.17 Uglich

(B/L/D)

This morning there will be a presentation on Uglich and Yaroslavl. Uglich is a small town located on the Volga River. It is most famous for the tragic events that took place in 1591, when the 10 year old Prince Dimitry, the last heir to the throne of the ancient Rurik Dynasty, was killed here. Historians now agree that he was killed by Boris Godunov, adviser to Dimitry, who wanted the throne to himself. Dimitry's death plunged Russia into decades of political turmoil known as the Time of Trouble.

In the afternoon we will discover the town on a walking tour with a visit to the Kremlin, Transfiguration Cathedral and the church of Saint Dimitry on the Blood.

This evening the ship departs for Yaroslavl.

Whilst cruising on board the ship, you will experience live music concerts, a Russian language course, Russian song lessons, dancing music in bars nightly and the Captain's bridge tour.

Accommodation: On board

13.05.17 Yaroslavl

(B/L/D)

By today's standards Yaroslavl is small, but its place in Russia's history and culture can not be underestimated. Before it was annihilated by the Mongols it was Russia's largest city. It was the economic, political, cultural and scientific centre. It was rebuilt shortly after but was once again burnt to the ground. While the Mongols had been preoccupied with Yaroslavl, Moscow was able to harness enough power to overthrow the 'Mongol yoke.' This morning we will explore this town on the Volga River by bus with stops in Nikolas Wonderworker, Governor's House Art Gallery and church of the Prophet Elijah (outside visit). There will also be some free time to explore the local market. This afternoon the ship departs for Goritsy.

Accommodation: On board

14.05.17 Goritsy

(B/L/D)

Goritsy is famous for the Kirillo-Belozersky Monastery (1397). This monastery's strong walls and bastions were used by some nobles as a safe house during the Time of Trouble. The Polish Armies stormed it, but never succeeded in capturing it. Unfortunately, the monastery was not successful in repelling the attacks of other invaders four centuries later. The Bolsheviks closed the monastery in the early 20th century and sent its monks to the prison camps. On our walking tour around the small town you will go inside the local Monastery of Saint Cyril on the White Lake, an exceptional museum of icons.

This afternoon the ship departs for Kizhi.

Accommodation: On board

15.05.17 Kizhi

(B/L/D)

This morning there is a presentation on Kizhi. Kizhi is the name of a unique island located on Lake Onega. In the centre of the island stands the amazing Transfiguration Church. This wooden church and its 22 domes are said to be built without a single nail. In fact, originally, the Transfiguration Church was located in another place. The Bolsheviks, who had little, if no, respect for religion, had some respect for its architectural value. So they decided to move this unique church as far from the major cities and people as possible, to distant Kizhi Island. We will devote this afternoon on the island to the open-air museum of wooden architecture. This evening the ship departs for Mandrogi.

Accommodation: On board

16.05.17 Mandrogi**(B/L/D)**

This morning there is a round table discussion where the ship guides are glad to answer any questions you may have about Russian life. Afterwards we visit Mandrogi, which is the name of a small village that has no architectural wonders, giant castles or churches. You will however discover the unique style and architecture of the northern tribes that have occupied these lands for centuries.

Here among the beautiful landscapes of this peaceful place we will have a picnic ashore with a famous Russian shashlik (meat kebab) made on the grill. We will have free time to stroll around the town to visit typical wooden houses, numerous craft exhibitions, Russian pancake and pie houses and possibly buy some souvenirs, before returning to the ship. In the afternoon the ship departs for St Petersburg.

This evening we have the Captain's Dinner. It is requested that you are elegantly dressed for this occasion. Afterwards we have a talent show, performed by the guests on board. This is followed by music and dancing in the bar.

Accommodation: On board

17.05.17 St Petersburg**(B/L/D)**

St Petersburg is Russia's cultural and historical treasure, one of the world's most beautiful cities. It is known as the 'Venice of the North', thanks to its numerous canals and hundreds of bridges. It can rightly be called a living museum as many of its buildings are a part of Russia's history.

Today there is a bus city tour to Smolny Convent, Tavrichesky Palace, Summer Garden, Palace Embankment, Winter Palace, Buildings of Stock Exchange and Nevsky Prospect. There is a walking tour of St Peter and Paul's Fortress. Lunch will be in a city restaurant, before an afternoon visit to the Winter Palace, which is home to the Hermitage Museum - the largest collection of Russian art in the world. The Hermitage originally started as the private art collection of Catherine The Great. The art works are displayed in numerous halls, many of which are works of art in themselves. Tonight you may like to take part in an optional excursion to a Russian Folk Show.

Accommodation: On board

18.05.17 St Petersburg**(B/L/D)**

This morning we have a walking tour of magnificent Peterhof (lower park only). See the Grand Cascade with the Samson Fountain, Greenhouse, Roman Fountains, The Chessboard, Trick Fountains (Oaklet, Umbrella, Bench), Palace Monplezire and a view of the Gulf of Finland. Afterwards we return to the ship for lunch. Later in the afternoon there should be a 'Rivers & Canals' optional tour available.

Accommodation: On board

19.05.17 St Petersburg**(B/L/D)**

Today is at leisure to explore St Petersburg. You may wish to take the optional excursions on offer to Pushkin (Catherine Palace and Park). Tonight there should be an optional excursion available to the ballet.

21.05.17 Helsinki**(B/L)**

Today we have a sightseeing tour of Helsinki and Old Porvoo. The tour begins in Sibelius Park, where we get off the coach to view the Sibelius Monument, before moving on past the Olympic Stadium, built for the 1952 Olympic Games. Next is the city's main street Mannerheimintie, along which are many fine buildings such as the modern Opera House, the Alvar Aalto designed Finlandia Hall, the National Museum and the Kiasma Modern Art Museum. Nearby is the main railway station, which is an architectural show piece in its own right. Subject to availability, we will also visit the Temppeliaukio Church, also known as the "Rock Church" as it is carved into solid rock. Next up is the Esplanade, an elegant boulevard with exclusive shops. With leafy parkland in the centre, it is a popular sitting area with occasional live concerts and buskers. At the base of the Esplanade is the bustling Market Square and harbour, overlooked by the imposing red brick onion-domed Uspenski Russian Orthodox Cathedral. There will be time to walk around Senate Square and the green-domed Lutheran Cathedral which is the symbol of the city.

Afterwards we travel out of Helsinki and less than an hour later arrive at the picturesque town of Porvoo, the second oldest town in Finland.

Stroll through the medieval Old Quarter, along old cobbled streets of historic painted wooden houses, cafes and antique stores. The town is famous for its ochre-painted shore houses along the riverside. The 13th century cathedral is the town's major historic landmark. Whilst in Porvoo we have lunch with tea and coffee at a local restaurant. Afterwards we are returned to our hotel.

Accommodation: Sokos Hotel Presidentti

22.05.17 Tallinn Day Excursion**(B)**

Today we have an excursion to Tallinn, the medieval capital of Estonia. We depart from the hotel by bus for a short transfer to the pier. We then board the fast boat for a 2 hour trip across the Baltic Sea to Tallinn. At Tallinn pier, we meet our local guide and are taken on a short panoramic tour around Tallinn City by coach. We pass by Kadriorg Palace and the Song Festival Grounds, and learn from the guide a little about modern life in Tallinn. We disembark the coach for a walking tour of the Old Town. Experience the history as we walk through the tight and winding medieval streets up to the top of Toompea Hill, which has views across the red roofs of the old buildings to the sea beyond. The walking tour also passes the Parliament Building, Alexander Nevsky Cathedral, the Dome Church and ends at the Town Hall Square. This is followed by some free time to shop or relax in a street side café, before continuing back to the port by foot.
