22.08.19 Hong Kong – Australia

This morning is at leisure in Hong Kong. After check out we commence a half day tour of Hong Kong Island. Our first stop is Man Mo Temple, which was built in 1847 and dedicated to the gods, Man (Literature) and Mo (Martial Arts). The temple is notable for its many fine, well-polished brass and pewter incense burners. Our next stop is Victoria Peak, overlooking the west of Hong Kong Island. It is the highest peak on the island and the most enduring tourist attraction in Hong Kong. We take a ride on the city's oldest transport, the 112 year old Peak Tram. In the early colonial rule, Victoria Peak was accessible only to Hong Kong's high society while the commoners could only visit the peak by permit from the colony's governor. Today Victoria Peak is

a world renowned scenic spot. Our ride on the Peak Tram ascends to Victoria Peak, which is 1805 feet above sea level. On the peak we will experience the dazzling panorama of Hong Kong Island, the harbour, Kowloon Peninsula and the hills beyond. We also visit Aberdeen, located on the southern tip of Hong Kong Island. It is the largest satellite town with a population of about 60,000. It was a pirates den two centuries ago and later turned into a simple fishing village. In recent years, with local high rise building developments, Aberdeen has modernised and now it has become a vibrant waterfront resort for people from metropolitan Hong Kong. Despite modernization, traditional fishing life still prevails. Hundreds of junks and sampans serve as floating homes for thousands of people. They crowd in the narrow harbour, dramatically juxtaposed against the modern high rise buildings that spread up the nearby hillsides. We take a sampan ride in the harbour to truly appreciate this fascinating place, followed by a visit to a prestigious jewellery factory. We also stop at Stanley Market. Stanley is a coastal village on the southern side of Hong Kong Island. Stanley used to be a small fishing village but in recent years, a series of restaurants and pubs have been established here. Over the years it's become known for its bargains, which includes silk garments, sportswear, art, Chinese costumes, souvenirs, ornaments and a host of fantastic crafts. It is one of the famous open-air markets in Hong Kong. Strolling in this street and bargaining with the shrewd vendors is something most travellers find amusing to try. Following the tour we proceed to Hong Kong Airport for our flights home. Sydney passengers depart Hong Kong at 8.00pm on QF 128, arriving in Sydney at 7.25am the next morning (23.08.19). Melbourne passengers depart Hong Kong at 8.10pm on QF 30, arriving in Melbourne at 7.35am the next morning (23.08.19). Brisbane passengers depart Hong Kong at 8.15pm on QF 98, arriving in Brisbane at 7.05am the next morning (23.08.19).
