"This was a trip of contrasts. The diversity of the beautiful Adriatic Coast, ancient walled cities, and the harshness of communist days and recently (1990's) war-torn cities struggling to recover their peace and prosperity...Veysel is extraordinary...Excellent value...I have lost count of how many trips with Macleay starting with Greece in 2006."

"Concerning my experiences during the Balkan tour from the 13th September 2018, I can only say 'TOP'. From my first contact with the office to the last farewell in Athens was a real success. The way the travel guide, his assistant Ned, the bus driver Bob and Narelle Clarke worked together was remarkable. I have never met a better travel guide than Veysel...I would recommend your agency to anyone interested in travelling."
