"Well organised...A bit off the usual tourist track!" [Moscow to Astrakhan Tour - September 2018](#)

"We enjoyed our trip very much. We always enjoy Macleay Valley tours, that's why we keep coming back with two more booked in 2019. We really enjoyed our Russian Waterways Tour in 2012 and always wanted to continue the experience from Moscow to Astrakhan. The places we visited this time were much larger cities, beautiful to look around and full of so much history. Kazan and Volgograd were probably our favourites, but they were all very interesting...The tour was very good value for money. I have yet to find other tours which can undercut your prices. We really like the way that everything is included and there are no hidden extras like on many other tours advertised...We always say that we travel with Macleay Valley Travel to anyone who will listen!...Thank you to everyone at Macleay Valley Travel. Another wonderful trip." [Moscow to Astrakhan Tour - September 2018](#)

"A small boat, beautiful scenery, Moscow has improved in the 9 years since we were there last. Lots of restoration work. Towns picturesque. Tours well organised. We had fun with the rest of our group & dinner companions. Boat held about 160, nice size." [Moscow to Astrakhan Tour - September 2018](#)
