*"Exceed expectations. We researched the tour well in advance so we were aware of the approximate distances to travel each day and planned accordingly. It was quite 'full on' but we kept well and really got so much out of the tour...We have been on many escorted small group tours and Veysel was extraordinary, just simply outstanding in every way...Excellent value...Will travel with you again..."* [Treasures of Ancient Turkey Tour - 6 October 2019](#)

*"Loved everything about Turkey - people, food, old cities, ancient civilisations, bazaars, markets, modern civilisation. I was very impressed with all that Turkey has to offer. The itinerary was excellent and covered such a diverse range of locations. Loved all the walks and different ways of lifestyles and habitats people dwelled in, in this ancient land. Everything was so interesting and was awed at the beauty of mosaics and just what was achieved and unearthed for us to see in 2019. Well done...MVT comes up aces compared to other tour companies. So keep up the good work. Many happy travels and ticking off the bucket list because of your dedication and professionalism...This is my 5th tour with MVT. All 5 tours were excellent, as were your tour escorts and tour directors. Again, recommending to anyone that listens to my conversation. You are doing everything right so far."* [Treasures of Ancient Turkey - May 2019](#)

*"I loved the trip. Turkey is such a friendly and beautiful country. We saw so much...Excellent value...I would travel again and definitely recommend the trip/tour to others." [East & West Turkey Tours - October 2015](#)*

*"The two tours (East and West) were absolutely fantastic. This was my sixth tour with Macleay and it had to be one of the best, particularly the Eastern Tour. While a lot of travelling was involved, this went by quickly, this went by quickly as we went from one wonderful site/scene/experience to the next. A tour is made by the experience, personality and friendliness of the guide and in Fazli we had an abundant supply of all three. The coaches on which we travelled were reliable and kept clean through the efforts of our wonderful driver, Fevzi...With the current political unrest in the region, I did not feel unsafe at any time during this holiday. The Turkish people were very friendly and welcoming...Can I congratulate everyone at Macleay for organising such wonderful tours. You have a loyal and regular customer as I have enjoyed every trip..." [East Turkey Tour & Black Sea, and West Turkey Tour - October 2015](#)*
