"Our accommodation was excellent, and in each case was a delightful surprise...The meals were entirely satisfactory. No one could possibly complain!...Our transport was wonderful. The bus provision & driver competency & variety of boating experiences & internal flights with Vietnam Airlines were all positive experiences...Hoang was a tour guide far above average...We were looked after in every possible way, by both Bruce and Hoang and were most appreciative of the consideration & thoughtfulness provided by both at all times of the tour to everybody in the group...The tour itinerary itself was thoughtfully planned and seamlessly executed...Every need seemed to be anticipated. There was a light-hearted humorous approach to everything...Nearly everyone on this tour was either a repeat Macleay Valley Travel tourist or participating because of someone's recommendation (like ourselves) which said it all. We never heard a negative word about Macleay Valley Travel." [Vietnam Luxury Tour - October 2017](#)

"This holiday rates very highly compared with other holidays we have done over the years. Some magical places like Canada, Alaska, Ireland and Europe to name a few. The people looking after us, Hoang and Janelle to mention a few were the best we have ever come across. Their knowledge and care for everyone on that tour was exceptional. I can't thank them enough for sharing that journey with us. As a holiday you know when you have had a great trip. We have had holidays where we reach a point and are ready to go home. This trip however left us wanting more. The local people were friendly, happy and appreciative of us just being there and sharing their daily lives. This tour represented unbelievable value for money. We have already highlighted this holiday to many friends and family and feel very confident they will be in touch with Macleay Valley Travel. I have no hesitation in travelling with you on our next holiday. Once again we thank you for your service and wish you all the very best in the future. Very happy travellers."

"The program was varied, interesting, and gave sound insight into the geography, village life, city life and culture of Vietnam & Cambodia...The tour provided remarkable value, from the organisation of the itinerary and other details by the administrative staff, to the cost of four flights, the quality of hotels, the selection of restaurants and the quality of the food, the entry costs for all the many and varied excursions, the provision of ample water and snacks on the coaches, the tipping of drivers and hotel staff and even the payment of the departure tax from Cambodia. I, and the other participants on the tour I spoke to about it, were astounded by what was provided..." [Vietnam & Cambodia Adventure Tour - September 2015](#)

"To the wonderful staff at Macleay Valley Travel. I was initially attracted to this tour primarily due to the no single room supplement for solo travellers. My initial enquiries by phone and email to the various Macleay Valley staff were always informative and encouraging. Thanks for your patience. The trip itself was comprehensive and well planned. Hoang, the Vietnamese guide's local knowledge must be invaluable to the company ensuring we were able to stay in a good range of hotels in such prime locations. His selection of western friendly restaurants to experience a vast array of reliable local and western food is to his credit. Realising that we could expect experienced bus drivers and

transport was consistent with the reliability of the entire tour. Hoang (and Bruce) would often surprise us on the longer trips with a selection of local treats and even an ice-cream to spoil us. The friendly bus boys providing cool water and sanitiser wipes was unexpected, but a sensible decision, ensuring we were kept hydrated and germs minimised. I would not hesitate to recommend and have indeed been singing the praises of Macleay Valley Travel to anyone who stays still long enough to listen." [Inside Vietnam Tour - February 2015](#)
