It was originally the Hiroshima Industrial Promotion Hall built in 1915. While all structures vanished in the atomic bomb explosion, only this building miraculously remained standing. Hiroie Kikkawa, a relative of the Mori family, was given the responsibility of transforming a backwater into a defensible and major outpost for his clan. Today, the Samurai Quarter that grew up around Iwakuni Castle and Kintai Bridge (Kintaikyō) is a major attraction in the city. We visit both the castle and the bridge. Please note that the displays within the castle are written in Japanese, with no English translation.

Afterwards we return to Hiroshima and visit the Hatchobori area.

Dinner this evening is at a local restaurant.

We visit Asakusa Kannon Temple and Nakamise shopping street. Legend has it that fishermen brothers discovered an image of Kan'on (the Goddess of Mercy) in the Sumida River around 1370 years ago and they were inspired to enshrine it. Its symbol is a large red paper lantern that bears the word 'Kaminari-mon' (thunder gate). Next we visit the Fukagawa Edo Museum, which is a museum of the history of Tokyo during the Edo period.

Afterwards we visit Odaiba, which is a large artificial island in Tokyo Bay across the Rainbow Bridge from central Tokyo. It was initially built for defensive purposes in the 1850's and dramatically expanded during the late 20th century as a seaport district. It has now been developed into a major commercial, residential and leisure area.

Accommodation: Tokyo Bay Shiomi Prince Hotel or similar

10.04.24 Tokyo

(B/D) This morning we visit the Meiji Jingu Shrine, followed by the Shibuya Scramble Crossing, best known for the incredible 'scramble' of pedestrians every time the traffic lights turn red. We then visit the Observatory of the Tokyo Metropolitan Government for a panoramic view of the city.

We have some time in the Kabukicho District of the city. The area has lots of entertainment, food and shops. The area is how you might imagine Tokyo to be, with lights and sounds everywhere, an overstimulation of the senses. For dinner this evening we have an included Shabu Shabu dinner at a local restaurant.

Accommodation: Tokyo Bay Shiomi Prince Hotel or similar

11.04.24 Tokyo – Sydney

(B/L) We have a leisurely breakfast this morning and check out of the hotel.

At 10am we depart to visit Happa-en Garden. Happa-en means "beautiful from every angle". When visiting the Happa-en Garden we will see that the name doesn't even begin to describe this Japanese garden. We take a stroll through tree lined paths of century old bonsai, cherry and maple trees. Take in the lush gardens and budding flowers surrounding a tranquil pond. We enjoy an included lunch inside the gardens.

We then have some free time in the Ginza area, known as one of Tokyo's top shopping districts. Afterwards we transfer to the airport for our flight home.

Depart Tokyo (Haneda) Airport at 7.20pm on JL 51, arriving in Sydney at 6.10am the next morning (12.04.24).

Note: For passengers in single accommodation, Japan typically has smaller rooms dedicated for single passengers. This is the norm for Japan, and the price you have paid for the single room supplement reflects these dedicated single rooms. The single room supplement will provide you with privacy, but not necessarily the same sized room as other twin share passengers.

Tour Difficulty Ratings & Advice

To ensure that you select the right tour for you, Macleay Valley Travel has provided a clear set of tour difficulty and fitness recommendations for our tours. The ratings, from 1, being the easiest, to 5 the most strenuous, will give you a good idea of what is reasonably required for you to be able to participate on each tour. Most tours require a moderate to good level of fitness. For your enjoyment of the tour, and also the enjoyment of your fellow travellers, please consider whether or not the suggested difficulty level for the tour you are interested in is compatible with your health and fitness.

1	2	3	4	5
---	---	---	---	---

Tour Difficulty Level 3

This tour rating typically involves a good level of physical activity, such as ascending stairs, getting into a bathtub shower, being responsible for your own luggage at airports and hotels, boarding trains quickly, walking distances of up to 750 metres at a time over possible uneven ground and/or cobblestone streets. Walking tours of considerable distances should be expected on tours with this rating as well as early departures.

Refunds and Cancellations - Cancellations after final payment will result in a refund limited to whatever we can recoup from the airline. Any refund for a cancelled booking will not be paid until the airline(s) provide the refund to Macleay Valley Travel.

Limitation of Liability concerning Covid-19 - It is possible that there may be outbreak(s) of Covid-19 during this tour. Whilst we take necessary safety precautions, Macleay Valley Travel cannot be held responsible for any quarantines or other associated costs brought about by quarantines, border closures and/or travel delays. The responsibility to obtain adequate travel insurance rests with the passenger. Proof of your travel insurance is required to be presented to us on or before the final payment date of the tour.

Additionally, if you are assigned a travelling companion to share with and they cancel off the tour prior to making the final payment, then you will either be required to pay the single room supplement or we will try our best to assign you with another twin share passenger, if one is available.

Single Accommodation - For passengers in single accommodation, Japan often has smaller rooms dedicated for single passengers. This can potentially be considerably smaller than what you might be accustomed to, however this is the norm for Japan, and the price you have paid for the single room supplement reflects these dedicated single rooms. The single room supplement will provide you with privacy, but not necessarily the same sized rooms as other twin share passengers.
