This morning is at leisure to relax or explore Negombo. In the afternoon we have a tour of Negombo, which is located 37km north of Colombo and is well known as a classic fishing town. Its sandy beaches, lush tall coconut palm trees and gourmet seafood will send visitors into an instant tropical paradise. The highlights of this tour include the remnants of the Old Dutch Fort wall and the many churches built by the Portuguese and Dutch. We see some Toddy Tappers at work. A Toddy Tapper rope-walks quickly from treetop to treetop at 30 to 40 feet above the ground in order to harvest the sweet milky sap of the cut coconut blossom.

Lunch today is included and dinner this evening is at the hotel.

16.02.26 Negombo - Pinnawala – Habarana

(B/L/D)

This morning after breakfast we proceed to Habarana. En route we visit Pinnawala Elephant Orphanage, which is situated approximately 90km from Colombo. The orphanage was originally founded in 1975 by the Sri Lanka Department of Wildlife Conservation. It is aimed at providing care and protection for many of the orphaned baby wild elephants found wandering in the forests of Sri Lanka. Pinnawala Elephant Orphanage also places an emphasis on breeding and ongoing research for these gentle giants. After lunch at a local restaurant we continue on our way to Habarana. 17.02.26 Habarana - Sigiriya - Habarana

(B/L/D)

Today we travel to Sigiriya Rock for an opportunity to climb Sigiriya Rock Fortress. Sigiriya Rock Fortress is one of Sri Lanka's major attractions. It was built by King Kashyapa from 477 - 495 AD for the purpose of protecting him from his rivals. It is a UNESCO World Heritage Site and is also known as the 'Fortress in the Sky'. There is so much to discover during your stair climb up to the fortress, including water gardens, artistic frescoes, a mirror wall and the lion gate. When you reach the top you are rewarded with breathtaking views. Please note that the climb to Sigiriya Rock consists of 600 steps with flat areas of interest in between. The climb is quite strenuous and as such it is not suitable for everyone. If you do not wish to do the climb, you can instead visit the nearby Sigiriya Museum or have a rest in the shade.

Depending on the weather, the order of today's program may be moved around to better suit the Sigiriya Rock climb. Lunch and dinner today are included.

Accommodation: Habarana Village by Cinnamon

18.02.26 Habarana – Dambulla – Trincomalee

(B/L/D)

This morning we have some time at leisure at the hotel, before enjoying an included lunch at a local restaurant. We then proceed to Dambulla to visit Dambulla Cave Temple. Dambulla Cave Temple is part of the Golden Triangle of Sri Lanka and is encrusted into a magnificently large rock. This ancient complex was initially established in the 3rd century B.C. and is truly a wonder as it is the largest and best preserved of the cave temples in Sri Lanka. The cave temples are home to numerous religious and cultural paintings and sculptures.

Following this we travel to Trincomalee for a two night stay. Upon arrival we visit a rural Buddhist temple where the monk will chant holy blessings and share the "pirith" threads to each and every one as an instrument of the blessings.

Dinner this evening is at the hotel.

19.02.26 Trincomalee

(B/L/D)

Next we have a tour of Trincomalee, which is 165 miles from Colombo and one of the largest and safest natural harbours in the world. Trincomalee is connected by rail and road. It has sunny weather throughout the year, with white sandy beaches, calm, placid and warm waters ideal for underwater activities and for whale watching. We visit Koneswaram Temple. According to an inscription found on the doorway to the fortress, the temple was destroyed by the Portuguese in the 16th century AD. They threw all the columns down to the sea below. Three bronze statues, found among the columns in the sea, were brought up by divers and are now kept in the modern temple at the same site which is located within the Dutch Fort in Trincomalee. The rest of the day is at leisure. Lunch and dinner will be at the hotel.

The best attraction is the orchid house, where we can see more than 1000 plants. Lunch is at a local restaurant, followed by a lovely drive through the nearby university grounds. Ella is situated 230km from the capital city of Colombo and overlooks a spectacular gap in the southern mountains where the land falls to a dizzying drop of 3000 feet into the Southern Sea. The small town is used as a base for many trekking expeditions to the surrounding areas. This is a great place to stop for a tea break. From Ella Gap we can get a breathtaking view of the south-east part of Sri Lanka. It is a great place for photography. We continue on to Yala and have lunch at the hotel.

This afternoon we enjoy a Yala National Park Wildlife Jeep Safari! Yala National Park is the second largest national park in Sri Lanka. It is home to a wide variety of wildlife. Leopards are the stars here, but the park is also home to large herds of elephants, spotted deer, wild boar, buffalos and many species of birds. The vegetation ranges from open parkland to dense jungle. There is also an abundance of water supply for animals and birds, ranging from waterholes, streams and small lakes to lagoons.

Dinner this evening is at the hotel.

This is a traditional method of fishing amongst the locals in the southern part of Sri Lanka. Afterwards we have a tour of Galle, which is recognized as the southern capital of Sri Lanka. It is 116km from Colombo and home to the popular fort called "Santa Cruz", which is listed as a World Heritage Site by

This tour rating typically involves a good level of physical activity, such as ascending stairs, getting into a bathtub shower, being responsible for your own luggage at airports and hotels, walking distances of up to and sometimes over 500 metres at a time over possible uneven ground and/or cobblestone streets. Walking tours of considerable distances should be expected on tours with this rating as well as some early departures.
