**26.03.25 Chau Doc - Phnom Penh**

**(B/L/D)**

Depart Chau Doc for Phnom Penh, a 4 hour boat trip on the Mekong River with the Victoria speedboat, crossing the water border. We arrive in Phnom Penh approximately 1.00pm. Upon arrival in Phnom Penh we are met by our Cambodian tour guide and transferred a short distance for lunch at a local restaurant near the port.  
Phnom Penh was known as the 'Pearl of Asia' and like much of Cambodia was a vibrant and culturally developed city until the 1960's. Suffering at the hands of the Khmer Rouge, the city was once evacuated by Pol Pot's army and became a ghost town. Today's Cambodia is a country on the move, but still many years behind the development of neighbouring Vietnam and Thailand, though ever-changing. This afternoon we take a traditional method of Phnom Penh transport, the cyclo, to visit some of the sights. The cyclo is used by people to drop their children at school or do their market shopping. It is also a fun way to get around short distances and see the city from a different angle. We visit the Royal Palace which was built by King Norodom in 1866 on the site of the old town. The Palace is made up of a number of structures within a pagoda-style compound, one of which is the Silver Pagoda. The Silver Pagoda takes its name from the 5,000+ silver tiles and the building itself holds a number of national treasures, perhaps most notably a life-sized gold Maitreya

Buddha decorated with 9,584 diamonds. There is also a small 17th century Emerald Buddha made from baccarat crystal. Please note that there is a dress code for the Royal Palace. Shoulders should be covered and shorts should go down as far as the knee. Please limit any jewellery for today's activities and do not openly carry any valuables on the cyclo ride. This evening we enjoy dinner at the hotel.  
Accommodation: Poulo Wai Hotel & Apartment

**27.03.25 Phnom Penh - Siem Reap**

**(B/L/D)**

This morning we depart for Siem Reap by coach. Travel time is around 6 hours, not including stops. After a couple of hours we reach the town of Skuon, where it is possible to see the local speciality of deep fried tarantula being sold at the local market. Cambodians are fond of this tasty snack and sometimes stop to buy a few when passing. International tourists are usually content to take photos, rather than to sample this unusual delicacy. We continue to the small and interesting Santuk Silk Farm, which was founded by a Vietnam War veteran. It is here that we will enjoy a tasty Khmer lunch. A short guided tour of the silk farm will provide insight into all stages of production, from the silk worm to the end product. Afterwards we continue to the Spean Praptos Bridge which dates from the Khmer Empire. Apparently the Khmer Rouge tried to blow up this bridge on more than one occasion, but were repelled by the sheer strength of the structure. We arrive in Siem Reap in the afternoon and check into the hotel. Dinner tonight is at the hotel.  
Accommodation: Tara Angkor Hotel

**28.03.25 Siem Reap**

**(B/D)**

This morning we take a remork (similar to the Thai tuk tuk) to visit Angkor Wat, the most famous of all the temples on the plain of Angkor and the largest religious building in the world. Angkor Wat is a temple complex built for King Suryavarman II in the early 12th century as his state temple and capital city. Angkor Wat is the most significant and best preserved temple complex in the area. It is the only one to have remained a significant religious centre since its foundation, first Hindu and then Buddhist. The temple complex covers 81 hectares and is comparable in size to the Imperial Palace in Beijing. A magnificent moat surrounds the temple on all sides with a long causeway providing access. An alternative eastern entrance is the best way to start a morning tour and avoid the crowds. Take your time to look at some of the 3000 Apsara (heavenly maiden) carvings. Following this we head to the ancient city of Angkor Thom, which is surrounded by walls with a height of 8 metres and length of 12 kilometres. This city was the last capital of the Khmer Empire. Five huge gates with huge stone faces provide access. Angkor Thom holds many important monuments, including the Bayon Temple, which we will visit. We take a break for lunch (own expense) at a restaurant at Sra Srang, the former Royal Bathing Pool. Following this we visit Ta Prohm, a unique temple that has been left to nature with trees and vines growing amongst the structures. This is one of the most photogenic temples in the Angkor area and gained fame as the 'Tomb Raider' temple, after featuring in the Angelina Jolie movie. Enjoy walking along the sandy paths and under huge Banyan trees as we explore this 12<sup>th</sup> century temple. Afterwards we return to the hotel to freshen up. This evening we enjoy a dinner whilst watching a show of Apsara dancing, first performed in the court of kings at Angkor. A set menu of Khmer cuisine will be served as we enjoy the show.  
Accommodation: Tara Angkor Hotel

**29.03.25 Siem Reap – Singapore**

**(B/L)**

This morning we explore the town of Siem Reap. In modern Cambodia today, there

are many projects helping to revive lost art, music and culture. One such example is Satcha, a project established to support and nurture Cambodian arts and crafts. We visit the workshops and see stone carvings, wooden sculptures, lacquer work, water hyacinth and rattan weaving, all being produced. Many of these can be purchased. Following this head to the Apopo Visitor Centre. Landmines left over from three decades of war are still a problem for farmers and the local people in the Cambodian countryside. Whilst the use of humans with metal detectors and mine detecting dogs have made a major impact, there is still plenty left to do. Following the success of using large 'hero rats' in Angola and Mozambique they have also been used in Cambodia since 2015. Not weighing enough to trigger a landmine when walked across, the rats are smart enough to smell the explosive and give a warning note to the handler. The mines can then be isolated and removed. At the Apopo Visitor Centre, we take a tour to learn about their work with a short demonstration by a mine detecting 'hero rat'.

We return to the hotel with a short break to freshen up and then check out. We enjoy an included lunch at one of the very best restaurants in Siem Reap, serving traditional Khmer food. The menu will take us on an exploration of many recipes almost lost from the Kingdom.

Afterwards we are transferred to the airport for our flights home. All passengers depart Siem Reap 4.40pm on flight SQ 165, arriving in Singapore at 8.05pm.

### **30.03.25 Singapore - Australia**

Melbourne passengers depart Singapore at 00.25am on SQ 237, arriving in Melbourne at 10.50am.

Brisbane passengers depart Singapore at 00.45am on SQ 255, arriving in Brisbane at 10.20am.

Sydney passengers depart Singapore at 00.45am on SQ 231, arriving in Sydney at 11.25am.
