"Fantastic." [Sri Lanka Tour - August 2016](#)

"Subash (guide) was extraordinary. You could not get anyone better for this job...I don't know how we stayed at amazing accommodation, ate at fantastic restaurants, had such a great tour guide, bus driver and wing man, comfortable bus & trip for the price...This was our first MVT tour. I think it is a testimonial to your company when all of the other people on the tour had been return customers. They all spoke so highly of your tours. There was nearly a badge of honour vibe happening, depending on how many MVT Tours people had done. It was lovely to be on a tour with people who shared the common travel vibe, travel values and love for discovery that was on this tour."
